Filled with striking images of costume play from around the world, this definitive look at the global phenomenon known as "cosplay" examines its evolution from the fringes of society to the spotlight of modern culture. Cosplay World features over 200 compelling photographs, showcasing everything from campy 1970s costumes to cutting-edge suits engineered in workshops and built using space-age materials. The result is both a celebration of and an informed look at a popular means of self-expression that continues to fascinate.

This book will help young readers discover how a little education, practice, and networking can bring their cosplay game to the next level. Part acting, part design, and part promotion, becoming a professional cosplayer will also result in many friends and admirers, not to mention sparkling LEDs, brilliant metalwork, and perfectly spiked hair.

Cosplay, a blend of costume and play, has taken off in popularity around the world. This entertaining and enlightening volume introduces readers to the wide and vivid cosplay world. They will learn the history of this creative outlet and how some people have taken this colorful and whimsical hobby and made it into a lucrative business. Whether the reader is interested in costumes, makeup, acting, photography, or another aspect of cosplay, this book provides inspirational yet practical examples of people who have made careers out of creative cosplay.

Three hundred full-color illustrations capture in intimate detail the elaborate and beautiful costumes that appeared in the six Star Wars films, capturing the design, from preproduction sketches to final creations, of everything from military uniforms and royal gowns to the iconic garb of Obi-Wan Kenobi and Darth Vader.

Enter the fascinating world of conversion costuming. Make your own theatrical costumes for less than a day's rental price and make them your way without any conventional sewing using patterns. Included in this book are more than 110 ingenious costume designs with photos and diagrams.

This graphic novel is an ode to the defining element of fandom. It celebrates both the culture's theatricality and D.I.Y. beauty—as well as its often-awkward conflation of fantasy with reality—in seven interconnected short stories about two young women. *Cosplayers* is an affectionate, funny book about how fandom can be much more inclusive and humanistic than the stories and characters it's built upon.
