Ian Wong has worked in magic shops for the past six years. Over that time, he has had countless interactions with clients, amateurs, and professional magicians. He has worked intimately with classic and modern magical props and has learned ways to utilize them effectively and in new ways.

Puzzlement Deck (Gimmicks and Online Instructions) by Ian ...

" MAGIC IS DEAD is itself a magic trick: unexpected, mesmerizing, smoothly executed, and—above all—fun. With verve and wit, Ian Frisch infiltrates a mysterious world with a vibrant cast of characters (I'm looking at you, Laura London), and explores the powerful nature of secrets—and why it's sometimes best to keep them. "

Ian Frisch

A range of tricks using easily available materials. Includes tips on creating and presenting a magic show.

Offers advice on performing magic, and demonstrates a variety of tricks and illusions.

In the vein of Neil Strauss ' The Game and Joshua Foer ' s Moonwalking with Einstein comes the fascinating story of one man ' s colorful, mysterious, and personal journey into the world of magic, and his unlikely invitation into an underground secret society of revolutionary magicians from around the world. Magic Is Dead is Ian Frisch ' s head-first dive into a hidden world full of extraordinary characters and highly guarded secrets. It is a story of imagination, deception, and art that spotlights today ' s most brilliant young magicians—a mysterious club known as the52, who are revolutionizing an ancient artform under the mantra Magic Is Dead. Ian brings us with him as he not only gets to know this fascinating world, but also becomes an integral part of it. We meet the52 ' s founding members—Laura London, Daniel Madison, and Chris Ramsay—and explore their personal demons, professional aspirations, and what drew them to their craft. We join them at private gatherings of the most extraordinary magicians working today, follow them to magic conventions in Las Vegas and England, and discover some of the best tricks of the trade. We also encounter David Blaine; hang out with Penn Jillette; meet Dynamo, the U.K. ' s most famous magician; and go behind the scenes of a Netflix magic show. Magic Is Dead is also a chronicle of magic ' s rich history and how it has changed in the internet age, as the young guns embrace social media and move away from the old-school take on the craft. As he tells the story of the52, and his role as its most unlikely member, Ian reveals his own connection with trickery and deceit and how he first learned the elements that make magic work from his poker-playing mother. He recalls their adventures in card rooms and casinos after his father ' s sudden death, and shares a touching moment that he had, as a working journalist, with his childhood idol Shaquille O ' Neal. " Magic—the romanticism of the inexplicable, the awe and admiration of the unexpected—is an underlying force in how we view the world and its myriad possibilities, " Ian writes. As his journey continues, Ian not only becomes a performer and creator of magic—even fooling the late Anthony Bourdain during a chance encounter—he also cements a new brotherhood, and begins to understand his relationship with his father, fifteen years after his death. Written with psychological acuity and a keen eye for detail, Magic Is Dead is an engrossing tale full of wonder and surprise.

Explores using magic tricks and illusion as a means of getting children interested in reading, designed for the school and children's librarian

Collects practical jokes, tricks, and anecdotes for the armchair magician, including the "eternal card trick," "tattoo of blood," and "off the cuff"

DIVSimple-to-use book gives versatile repertoire of first rate card tricks. The authors, both expert magicians, present clear explanations of basic techniques and over 100 complete tricks. 121 figures. /div

Cards. Wonder. Roses. Cell Phones. Sleight of Hand. Hot Coffee. Matchbooks. Miracles. Finger Rings. Wands. Credit Cards. Bottlecaps. Astonishment. Coins. Cigarette Papers. Bafflement. Laptop Computers. Postage Stamps. Sugar Packets. Secrets. These are the things David Ben's Tricks is made of. Tricks contains material for all skill-levels, from technically demanding renditions of the "Cards to Pocket" and "Open Travelers" to self-working "Faux Automata" using cellular phones and laptop computers. In between, close up miracles, parlor tricks and stage effects abound. Standout effects include "Postage Prediction," a no-nonsense mental effect with postage stamps; "Bad Habits," an improved, logical version of the "Cigarette Through Quarter" plot; and "Matchless Psychometry," an up-to-date version of Annemann's classic "Pseudo-Psychometry." Ben has also revealed the inner-workings behind selections from his acclaimed theatrical productions The Conjuror and The Conjuror's Suite. Tricks also includes the performance scripts for these effects - giving the reader a complete view of how a seasoned professional develops material for the real world. Within these pages you will gain insight into a host of miracles that David Ben has made his living with for the last 20 years. Detailed are not only the rudiments of each effect, but also the select secrets only available to a working professional who has performed a trick hundreds, if not thousands, of times. Inside, you'll find the tricks behind Tricks.

Magic tricks for every occasion explained in step-by-step detail.
