Facilitate Groups That Deliver Results Every professional businessperson needs a complete portfolio of skills, yet one area is often taken for granted: the art of facilitation. This book takes the guesswork out of this essential skill and gives you a step-by-step process for becoming an accomplished and successful facilitator. As a facilitator, your job is to remain neutral while helping others achieve common objectives. To do this, you need tools and techniques to deal with a wide variety of group meeting situations. In 10 Steps to Successful Facilitation, you'll find everything you need, including □ A wealth of methods and ideas to engage participants □ Strategies for handling conflict and creating a collaborative climate □ Tips for using media and technology effectively This second edition features updates to each step, reorganized to align with the problems facilitators face today, such as the increasing prevalence of virtual meetings. You'll have the help you need to act as a catalyst for progress, enabling others to focus on key issues, arrive at appropriate solutions, and build sustainable agreements. With this book as your roadmap, you can be thoroughly prepared for the role of facilitator, ready to cultivate cooperation and understanding among individuals and assist your organization in developing shared solutions to its challenges.

Overcome Your Fear of Presenting Are you afraid of public speaking? Do you feel anxious before presenting? Are you worried about making mistakes in front of others and being judged? If so, you are not alone—public speaking and presenting are among the things people fear the most. Conquer your phobia of public speaking with 10 Steps to Successful Presentations. In this second edition, the Association for Talent Development provides an updated 10-step guide to delivering first-rate presentations whether you have several months or just one day to prepare. Discover how to develop a dynamic, engaging presentation and deliver it flawlessly. Learn strategies to reduce stress and become a think-on-your-feet presenter. Master your openings and closings (including the question-and-answer session) and captivate your audience from start to finish. Updated tools offer guidance and reassurance along the way. New content covers: □ leading virtual presentations □ telling interesting stories and relatable examples □ using mindfulness to recover in the moment □ asking questions to involve the audience.

BOOK

Project management is not easy—it is a complicated, multilayered matter, whether you manage projects for your entire company, for a department or just your own projects. And using a management software program isn't enough, as many project managers painfully learn. This book takes you through 10 steps that, if you follow them correctly, will lead to successful project management.

Economics, finance, business and industry.

The thought of giving a presentation often ranks at the top of the list of what people fear the most. "10 Steps to Successful Presentations" provides readers with a proven 10-step process for developing and delivering an effective presentation based on real-world experience as well as observations of presentations that either wowed the audience or fell short of motivating participants.

Going beyond simply managing time, this book posits what would happen if you managed time effectively and in line with your priorities. The goal of the book is not to save time, after all, that can't be done. However, the techniques and steps presented in the book will allow you to spend your time wisely on the things that matter to you, instead of wasting time on everything else that gets in the way. |Going beyond simply managing time, this book posits what would happen if you managed time effectively and in line with your priorities.
