The Rolex Caliber 3130 movement is the fourth generation of the Rolex Calibre 300 family. The movement features a Chronergy escapement as well as optimized and improved gears and lubricants which allows for a better power reserve. With the new generation 3000 Calibers, Rolex has claimed that 90% of the components have been changed from the previous generations.

The superb Caliber "5035" in-house Rolex quartz movement is in perfect working order and as expected this watch keeps immaculate time. The original chunky integrated reference 17000B steel bracelet has some light signs of wear (this is still one of my favourite watches I always enjoy wearing, so there will be some inevitable signs of wear). It comfortably accommodates a wrist of up to 7 1/2 ...

State-of-the-art guide to plastic product design, manufacture and application. Edited by Charles A. Harper and sponsored by Modern Plastics, the industry's most prestigious trade magazine, Modern Plastics Handbook packs a wealth of up-to-date knowledge about plastics processes, forms and formulations, design, equipment, testing and recycling. This A-to-Z guide keeps you on top of: *Properties and performance of thermoplastics, polymer blends...thermosets, reinforced plastics and composites...natural and synthetic elastomers *Processes from extrusion, injection and blow molding to thermoforming, foam processing, hand lay-up and filament winding, and many, many more *Fabricating...post-production finishing and bonding...coatings and finishes, subjects difficult to find treated elsewhere in print *More!

Pioneered by spiritual master Eknath Easwaran, passage meditation consists of memorizing an inspirational spiritual passage and then sending it deep into consciousness through slow, sustained attention. It keeps meditation fresh and varied because readers can select the passages - from one tradition or many - that embody their chosen ideals. Many readers also enjoy the passages for their poetic and intellectual appeal. This form of meditation offers all the richness and depth of traditional wisdom, together with a practical method for bringing that wisdom into daily life. The book situates passage meditation as part of Easwaran's

eight-point program that, based on traditional spiritual practices but adjusted for modern lifestyles, shows readers how to stay calm and focused at work and home. This edition includes a new preface of previously unpublished material by Easwaran and an epilogue that explains the story behind the book and invites new readers to join the author on this adventure in the "world within."
