Learn to Love: Guide to Healing Your Disappointing Love Life was written by Dr. Thomas Jordan, a New York City psychologist who specializes in the treatment of people with love life problems. After 30 years of clinical research and treatment, Dr. Jordan wrote a book that shows readers how to make the psychological changes that will dramatically improve their love lives. Learn to Love guides readers through the process of becoming aware of what they’ve learned about love relationships, how to unlearn what was unhealthy, and clarifies what they’ll need to learn or relearn and practice to get control of their love lives.
