Take your astral body on an exciting ride Projecting out-of-body requires a delicate balance of mind

Astral Projection and the Nature of Reality goes beyond preconceived notions about how to get out of the body and then back in, as well as the dimensions to which the outofbody adventurer can travel. Magnus starts with a brief history of astral projection and then guides the reader through a stepbystep course for reliable projection. He explains how, once outofbody, we create our own astral world, and he offers techniques for understanding our mind and the nature of reality. Magnus offers detailed exercises and proven techniques for reliably exiting your body; confronting the basic fears that can hold you back; taking advantage of psychic side effects; taming your mind; navigating a world in which you have the ultimate power to create; integrating the lessons you learn from OBEs into your everyday reality; replenishing your energy . . . and much more. Plus, incisive journal entries of his many outofbody adventures will convince you that it can be done and give you the inspiration to go farther than you ever thought possible.

We all have the ability to separate from our physical bodies and travel on the astral plane. In this uniquely practical guide, you will learn how to differentiate between astral travel and conventional dreaming, and how to control and monitor the exper
