Complex and fast moving plotting; a dedicated, intelligent, and honest protagonist (a chief superintendent); beautifully written descriptions of the setting, including Carrara; and a realistic, if absolutely chilling, study of the evils of modern Italy (and other countries) plagued by the drug trade, sexual slavery of children, pedophilia, and ...

In the picturesque Tuscan hill town of Scandicci, the body of a girl is discovered. Scantily dressed, she is lying by the edge of the woods. The local police investigate the case - but after a week, they still haven't even identified her, let alone got to the bottom of how she died. Frustrated by the lack of progress, Chief Superintendent Michele Ferrara, head of Florence's elite Squadra Mobile, decides to step in. Because toxins were discovered in the girl's body, many assumed that she died of a self-inflicted drugs overdose. But Ferrara quickly realises that the truth is darker than that: he believes that the girl was murdered. And when he delves deeper, there are many aspects to the case that convince Ferrara that the girl's death is part of a sinister conspiracy - a conspiracy that has its roots in the very foundations of Tuscan society... A week later, another bomb explodes - bringing tragedy for Ferrara and a determination to find the culprit. But that same morning, Salvatore Laprua is found dead in his prison cell. So who is the mysterious influence behind the bombings - someone even the Mafia fear? An ingenious, gripping mystery, *The Death of a Mafia Don* has been a bestseller in Italy and across Europe. This is a fast-paced and colorful exploration of the life of Matilda of Canossa (c. 1046-1115), the woman who loved a pope and was loved by him, successfully defied the Holy Roman Emperor, and changed the map of Europe. A new kind of history, this biography also carries the flavor of present-day Italy. Matilda of Canossa, the Great Countess, was a remarkable woman. Her personal power was so extraordinary that even centuries after her death she became the first woman to be interred in St. Peter's Basilica. She is best remembered for her role in the conflict between the papacy and the Holy Roman emperor, the climax of which took place at her castle of Canossa. This unique biography is also a journal of the author's travels through contemporary Tuscany as she explores the palaces where Matilda held court, the blood-stained plains on which her soldiers battled, the churches and cathedrals she endowed, and the fortified aeries where she sought refuge. Readers will be swept along on this engrossing journey retracing the steps of a courageous and brilliant woman.

The follow-up to *Murder in Chianti* finds ex-NYPD detective Nico Doyle recruited by Italian authorities to investigate the murder of a prominent wine critic. One year after moving to his late wife's Tuscan hometown of Gravigna, ex-NYPD detective Nico Doyle has fully settled

into Italian country life, helping to serve and test recipes at his in-laws' restaurant. But the town is shaken by the arrival of wine critic Michele Mantelli in his flashy Jaguar. Mantelli holds his influential culinary magazine and blog over Gravigna's vintners and restaurateurs. Some of Gravigna's residents are impressed by his reputation, while others are enraged—especially Nico's landlord, whose vineyards Mantelli seems intent of ruining. Needless to say, Mantelli's lavish, larger-than-life, and often vindictive personality has made him many enemies, and when he is poisoned, the local maresciallo, Perillo, has a headache of a high-profile murder on his hands—and once again turns to Nico for help.

One of the wildest and most beautiful regions in Italy, known for its rugged coastline and mountains, Calabria is also home to the deadly 'Ndrangheta. An organised Mafia crime operation more feared in Italy than the Cosa Nostra or the Camorra, it is shrouded in mystery.
