The Ancient demons of Hel have awakened, and one of them is gathering forces for an invasion of Aaru-which is pretty hilarious as far as Sam is concerned. Few know that Aaru is locked down tight after she banished all the angels. Nobody can get in. Nobody. Well, maybe nobody. The one being in Hel that might be able to restore

itself. Scientists began to employ hypothetical beings to perform certain roles in thought experiments—experiments that can only be done in the imagination—and these impish assistants helped scientists achieve major breakthroughs that pushed forward the frontiers of science and technology. Spanning four centuries of
