The heart-tugging true story of how a baby gorilla found love in the arms of a surrogate mom When Umande was born, his mother didn't know how to take care of him. So, he was hand-reared by keepers at the Cheyenne Mountain Zoo in Colorado Springs. For eight months, the keepers crawled on the ground with him to show him how to walk; coughed in his face to teach him discipline; and gave him happy gorilla grumbles to encourage him. But for Umande, something was still missing. Luckily, a thousand miles away at the Columbus Zoo, a mom was waiting just for him. This touching true story about finding a family will resonate with animal lovers and adoptive families alike. Share this book with fans of Owen & Mzee, Tarra & Bella, and Knut.

Because his own mother is too young to take care of him, Umande, a newborn gorilla, is fed and cuddled by human zookeepers until a surrogate mother is found, in a touching true story about finding a family that will resonate with animal lovers and adoptive families alike.

Stunning photographs, an eye-catching design, and complete with anecdotes and facts, Urban Gorillas explores the lives of two resident troops of gorillas at the Lincoln Park Zoo. With histories and biographical details for each ape, this book immerses readers in the gorillas' individual personalities while also presenting a fascinating window into their daily routines and care, touching on zoo habitat design and gorilla conservation.

Baby gorillas are a lot like human babies. They snuggle with mom, get piggyback rides, and even suck their thumbs! Find more similarities with these loveable babies in this low-level title.

Although Juno, a Korean-American boy, cannot read the letter he receives from his grandmother in Seoul, he understands what it means from the photograph and dried flower that are enclosed and decides to send back to her a similar letter. Ezra Jack Keats Book Award Winner. Reprint.

When Arianna and her stuffed bear arrive at the elegant Grand Hotel, where children are not allowed, the looks of horror that greet them gradually change to appreciation.

Introduces how different animals and even human babies grow from being newly-hatched or born, through being carried everywhere, to having their own special place to sleep.
