Perfect for fans of Lauren Kate's *Fallen* series and Becca Fitzpatrick's *Hush, Hush* saga, this darkly romantic story that began with *A Beautiful Dark* and gathered intensity in *A Fractured Light* comes to a thrilling conclusion in *A Radiant Sky*. Since the night of her seventeenth birthday, Skye has been torn between two opposites: light and dark, the Order and the Rebellion, Devin and Asher. But in a shocking decision, she chose neither. With the help of her friends, Skye now forges her own path, setting out to gather an uprising of Rogues. These half-angels may be the key to maintaining the balance. But completing the mission is more difficult—and dangerous—than she could have imagined. And it comes at a cost: her greatest love may now be a lethal enemy. Because it's not just the Order that sees her as a threat. The Rebellion does, too. Dark days lie ahead, and if Skye is to survive, she'll need to rely on her extraordinary powers and the strength of her will. Because she has a future—and a love—that's worth fighting for.

On the night of Skye's seventeenth birthday, she meets two enigmatic strangers. Complete opposites—like fire and ice—Asher is dark and wild, while Devin is fair and aloof. Their sudden appearance sends Skye's life into a tailspin. She has no idea what they want, or why they seem to follow her every move—only that their presence coincides with a flurry of strange events. Soon she begins to doubt not just the identity of the two boys, but also the truth about her own past. In the dead of a biting cold Colorado winter, Skye finds herself coming to terms with the impossible secret that threatens to shatter her world. Torn between Asher, who she can't help falling for, and Devin, who she can't stay away from, the consequences of Skye's choice will reach further than the three of them could ever imagine. *A Beautiful Dark* is the first book in a captivating trilogy by debut author Jocelyn Davies.

When Skye wakes up in unfamiliar surroundings, she knows something terrible has happened. But it's not

until she hears Asher's voice that the memories come rushing back. She struggles to put the past behind her but knows she'll be haunted by the betrayal that almost took her life. Skye returns home, but nothing is the same. As she tests the limits of her powers, Skye discovers that her abilities are stronger than anyone could have imagined. Now both the Order and the Rebellion want her for their side as an inevitable war looms between factions. Skye can't get past the terrifying truth she knows about the Order, yet something is holding her back from siding with the Rebellion. With Dark and Light vying for her allegiance, which will Skye turn toward?

A bolt of lightning inspires an incredible journey in this charming, magical realism adventure that takes four teens on an all-night journey through the streets of New York City. Extraordinary things happen when we least expect them. Tiny, Lu, Will and Nathaniel used to be best friends. Then life-defining events the summer before high school tore them apart. Now, three years later, they hardly talk anymore. Nathaniel has become obsessed with winning the prestigious science scholarship that his genius older brother once won. Will has risen from anonymity to popular soccer star. Lu grew into a brash, impetuous actress. And shy, poetic Tiny has slowly been fading away. But fate weaves their lives together again the night before the SATs, during a wild thunderstorm that threatens to shut down New York City. And lightning strikes. Before they know what's hit them, the four teens embark on an epic all-night adventure to follow their dreams, fall in and out of love, reconcile the past, and overcome the fears that have been driving them since that one lost summer. And by the time the sun rises, odds are they 'll discover that there 's a fine line between science and magic, and that the mysteries of love and friendship can 't be explained.

She is a painter. He is a poet. Their art bridges time. It is 1978. where nothing ever changed. Then he met mysterious newcomer Lena Duchannes, who revealed a secret world that had been hidden in plain sight all along. A Gatlin that harbored ancient secrets beneath its moss-covered oaks and cracked sidewalks. A Gatlin where a curse has marked Lena's family of powerful Supernaturals for generations. A Gatlin where impossible, magical, life-altering events happen. Sometimes life-ending. Together they can face anything Gatlin throws at them, but after suffering a tragic loss, Lena starts to pull away, keeping secrets that test their relationship. And now that Ethan's eyes have been opened to the darker side of Gatlin, there's no going back. Haunted by strange visions only he can see, Ethan is pulled deeper into his town's tangled history and finds himself caught up in the dangerous network of underground passageways endlessly crisscrossing the South, where nothing is as it seems.

Xhea has no magic. Born without the power that everyone else takes for granted, Xhea is an outcast—no way to earn a living, buy food, or change the life that fate has dealt her. Yet she has a unique talent: the ability to see ghosts and the tethers that bind them to the living world, which she uses to scratch out a bare existence in the ruins beneath the City's floating Towers. When a rich City man comes to her with a young woman's ghost tethered to his chest, Xhea has no idea that this ghost will change everything. The ghost, Shai, is a Radiant, a rare person who generates so much power that the Towers use it to fuel their magic, heedless of the pain such use causes. Shai's home Tower is desperate to get the ghost back and force her into a body—any body—so that it can regain its position, while the Tower's rivals seek the ghost to use her magic for their own ends. Caught between a multitude of enemies and desperate to save Shai, Xhea thinks herself powerless—until a strange magic wakes within her. Magic dark and slow, like rising smoke, like seeping oil. A magic whose very touch brings death. With two extremely strong female protagonists, Radiant is a story of fighting for what you believe in and finding strength that you never thought you had.
