As a historian, I love writing about the past. I also love a good mystery – even better if it's a bit spooky. All my books contain strong historical and mystery elements, they range from traditional Regency romances to contemporary paranormal mysteries.

COVID update: A Touch of Romance has updated their hours and services. 103 reviews of A Touch of Romance "The customer service here is AMAZING. Knowledgeable and easy going, it feels more like talking to your friends than a salesperson and that means a lot. The two people we dealt with were great, knew what they were talking about, and were not pushy in suggesting other items.

Romance is an option but I prefer a more action-adventure kind of story, let relationships evolve naturally. If romance is going to be a thing in the role-play I would prefer doing f/f or m/m relationships but I can do f/m as well.

previously printed individually. Some have been re-engraved, and all updated for today's student. These pieces offer students fresh material for study and recital, and will challenge them more musically than technically. A must for every piano studio.

Two murders. A distressed teenager and her dauntless mother. A French Police Captain whose own private life is changed forever by his investigation. When Alice moved to Garches, a posh suburb in the Paris metropolitan area, she hoped to find a safe environment for her daughter, Melody. But two people are murdered in quick succession in the elite private school she enrolled her daughter in. There's a long list of suspects determined to keep their secrets, and a senior member of government who doesn't trust a suburban cop's ability to handle the investigation. With his tenacity and his keen sense of observation as his only advantages, Thomas Sturm races against time to solve the murders and to come to terms with the way the investigation is affecting his private life. Set within the beauty of Paris and of one of its exclusive suburbs, Far away from here is a gripping story and a compelling crime novel which will keep you guessing until the very end.

After her young nephew and two nieces' parents are drowned in a tragic sailing accident off the coast of Cornwall, the beautiful red-headed Tamara is devastated by their loss and realises almost at once that she is the only person who can look after the three children as she loves them so much. She speaks to the local Solicitor, who tells her that there is no money left in her brother-in-law's estate and so she has no choice but to take the three children to their uncle, the Duke of Granchester, who lives in splendid isolation in a vast sprawling but intimidating Castle in Gloucestershire. The prospect at once appals Tamara. Firstly because she despises the Duke for the way he had cut off all contact with her sister and brother-in-law as he disapproved of their marriage, thinking that she was an actress when in fact she was a renowned opera singer. Worse still, Tamara has written a somewhat scurrilous novel portraying the Duke as the vile character she believes him to be! And the novel is just about to be published in London! Arriving at Granchester Castle in the guise of the children's Governess, she finds the Duke to be as arrogant, high-handed and annoyingly handsome as her fictional portrayal of him and she hates him even more bitterly. Until a touch of love intervenes and changes everything forever.

Touch is a fundamental part of human interaction. What happens when that simple pleasure causes immeasurable fear? Ireland Hayes has fought an uphill battle with his phobia most of his life, believing "normal" is unachievable. Every time things look up, unexpected triggers set him right back to square one where he needs to start over. When he falls, he falls hard. Work is impossible. Love is impossible. Life is impossible. Raven Kingsley takes life as it comes. Not many things bother this free-spirited man. He is passionate, vibrant, and easy-going. He's the friend who's always there, and the sympathetic shoulder for anyone in need. He works hard. Loves with his entire heart and soul. And believes life is always possible. Ireland doesn't have much faith in relationships. The past has proven many times that he isn't worthy of love. Everyone gives up. Will Raven prove different? When the walls come crashing down, will love prevail? Or are life, love, and happiness truly meant for someone else?

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth. "Let me worship you," he said. She remembered the words she had whispered to him in the back of the limo after La Rose. "You will worship me, and I won't even have to order you." His request felt sinful and devious, and she reveled in it. She answered, "Yes." Persephone is the

Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.

Gold is wealth. Wealth is power. Power is a curse. This captivating fantasy adventure—the untold story of the daughter King Midas turned

## Download Ebook A Touch Of Romance A Christian Romance Callaghans Mcfaddens Book 6

to gold—will dazzle you with the kind of action, adventure, twists, turns, and a bit of romance to make any fan of magic and mythology greedy for more. After King Midas's gift—or curse—almost killed his daughter, he relinquished The Touch forever. Ten years later, Princess Kora still bears the consequences of her father's wish: her skin shines golden, rumors follow her everywhere she goes, and she harbors secret powers that are getting harder to hide. Kora spends her days concealed behind gloves and veils. It isn't until a charming duke arrives that Kora believes she could indeed be loved. But their courtship is disrupted when a thief steals treasures her father needs to survive. Thanks to Kora's unique ability to sense gold, she sails off on her quest to find the missing items. Magic, mythology, fantasy, and pirate adventures charge through every page as Kora learns that not everything is what it seems—not her companions, not the thieves, and not even Kora herself. A Touch of Gold: Is told from the perspective of Kora, King Midas's daughter and a strong female protagonist Is a clean fantasy adventure, perfect for fans of the #1 New York Times bestselling books, The Wrath & the Dawn and Cinder Is an enchanting and captivating fantasy adventure/fairy tale retelling Features a beautifully decorated cover Will have strong appeal to readers ages 13 & up

Everly Gray's fingers are a magnet for trouble... When she touches photographer Mitchell Hunt and sees the image of a dead body, she dives into the murder fingertips first. Life takes a turn for the dangerous when she discovers the body is related to a small-time crime family that accidentally stepped on the toes of notorious criminal, Delano West. Caught in a web of intrigue where nothing is as it seems, El discovers an aptitude for breaking and entering, the pain of an up close and personal meeting with a bullet, and the terror of facing a cold blooded killer. What she doesn't learn--to keep her fingers to herself.
