A luminous narrative inspired by the fascinating real case of 'the Blue People of Kentucky' that probes questions of identity, love, and family. In 1937, there are recesses in Appalachia no outsiders have ever explored. Two government-sponsored documentarians from Cincinnati, Ohio's writer and photographerare dispatched to penetrate this wilderness and record what they find for President Roosevelt's Works Progress Administration. For photographer Clay Havens, the assignment is his last chance to reboot his flagging career. So when he and his journalist partner are warned away from the remote Spooklight Holler outside of town, they set off eagerly in search of a headline story. What they see will haunt Clay into his old age: Jubilee Buford, a woman whose skin is a shocking and unmistakable shade of blue. From this happenstance meeting between a woman isolated from society and persecuted her whole life, and a man accustomed to keeping himself at lens distance from others, comes a mesmerizing story in which the dark shades of betrayal, prejudice, fear, and guilt, are refracted along with the incandescent hues of passion and courage. Panning across the rich rural aesthetic of eastern Kentucky, The Last Blue is a captivating love story and an intimate portrait of what it is like to be truly one of a kind.

A wonderful new storyteller unleashes a soaring debut that sweeps from the hills of Hawaii to the veldt of South Africa. Come Sunday is that joyous, special thing: a saga that captivates from the very first page, breaking our hearts while making our spirits soar. Abbe Deighton is a woman who has lost her bearings. Once a child of the African plains, she is now settled in Hawaii, married to a minister, and waging her battles in a hallway of monotony. There is the leaky roof, the chafing expectations of her husband's congregation, and the constant demands of motherhood. But in an instant, beginning with the skid of tires, Abbe's battlefield is transformed when her three-year-old daughter is killed, triggering in Abbe a seismic grief that will cut a swath through the landscape of her life and her identity. What an enthralling debut this is! What a storyteller we have here! As Isla Morley's novel sweeps from the hills of Honolulu to the veldt of South Africa, we catch a hint of the spirit of Barbara Kingsolver and the mesmerizing truth of Jodi Picoult. We are reminded of how it felt, a while ago, to dive into the drama of The Thorn Birds. Come Sunday is a novel about searching for a true homeland, family bonds torn asunder, and the unearthing of decades-old secrets. It is a novel to celebrate, and Isla Morley is a writer to love.

Acclaimed author Graham Joyce's mesmerizing new novel centers around the disappearance of a young girl from a small town in the heart of England. Her sudden return twenty years later, and the mind-bending tale of where she's been, will challenge our very perception of truth. For twenty years after Tara Martin disappeared from her small English town, her parents and her brother, Peter, have lived in denial of the grim fact that she was gone for good. And then suddenly, on Christmas Day, the doorbell rings at her parents' home and there, disheveled and slightly peculiar looking, Tara stands. It's a miracle, but alarm bells are ringing for Peter. Tara's story just does not add up. And, incredibly, she barely looks a day older than when she vanished. Award-winning author Graham Joyce is a master of exploring new realms of understanding that exist between dreams and reality, between the known and unknown. Some Kind of Fairy Tale is a unique journey every bit as magical as its title implies, and as real and unsentimental as the world around us.

Struggling to support her family in mid-19th-century New York, writer Frances Osgood makes an unexpected connection with literary master Edgar Allan Poe and finds her survival complicated by her intense attraction to the writer and the scheming manipulations of his wife. 75,000 first printing.

The moment Abby Fitzgerald sees two soldiers approach her front door, she knows her husband is dead. John Stanton, who gave up his career as a star NFL running back to serve after 9/11, has been killed in Iraq. Suddenly Abby's kitchen is overflowing with casseroles brought by the army wives' club to which she has never really belonged. And her in-laws arrange a lavish funeral at Arlington National Cemetery in spite of Abby's misgivings. John had grown to hate the war even though he loved his country, and Abby can't reconcile the complex man she knew with the version being portrayed by self-serving politicians, military, and the media. Shell-shocked, Abby strives to cope with her own heartache while comforting John's loved ones, including his mother Sharice, his staunchly anti-war sister Madison, and his bitter younger brother Noah. But amidst her loss is a growing conviction that the truth about John's death is far from over. Gripping, thoughtful, and emotionally powerful, One September Morning is a story of loyalty and betrayal, of a shattered family's journey toward healing, and of the courage it takes to confront the truth not just about our enemies, but about those we love best.

Clever Girl is an indelible story of one woman's life, unfolded in a series of beautifully sculpted episodes that illuminate an era, moving from the 1960s to today, from one of Britain's leading literary lightsTessa Hadleythe author of the New York Times Notable Books Married Love and The London Train. Like Alice Munro and Colm Tóibín, Tessa Hadley brilliantly captures the beauty, innocence, and irony of ordinary lives;an ability to transform the mundane into the sublime that elevates domestic fiction to literary art. Written with the celebrated precision, intensity, and complexity that have marked her previous works, Clever Girl is a powerful exploration of family relationships and class in modern life, witnessed through the experiences of an English woman named Stella. Unfolding in a series of snapshots, Tessa Hadley's moving novel follows Stella from the shallows of childhood, growing up with a single mother in a Bristol bedsit in the 1960s, into the murky waters of middle age. Clever Girl is a story vivid in its immediacy and rich in drama;violent deaths, failed affairs, broken dreams, missed chances. Yet it is Hadley's observations of everyday life, her keen skill at capturing the ways men and women think and feel and relate to one another, that dazzles.

It's 4:30 in the morning, and the "book woman" and her horse are already on their way. Hers is an important job, for the folks along her treacherous route are eager for the tattered books and magazines she carries in her saddlebags. During the Great Depression, thousands lived on the brink of starvation. Many perished. In 1935 President Franklin D. Roosevelt created the Works Progress Administration under his 1933 New Deal initiative. The WPA was designed to get people back on their feet. One of its most innovative programs was the Pack Horse Library Project of Eastern Kentucky. Thoroughly researched and illustrated with period photographs, this is the story of one of the WPA's greatest successes. People all over the country supported the project's goals. But it was the librarians themselves -- young, determined, and earning just \$28 a month -- who brought the hope of a wider world to people in the crooks and hollows of Kentucky's Cumberland Mountains.
