As you look through the book, you will quickly see that this book's format is different from all other review and test preparation books. This book is specifically geared toward healthcare students and new healthcare professionals that are preparing to take the ACLS certification exam for the first time. This book will also give the seasoned healthcare professional lots of great review information as well as a way to update themselves on the latest research and guidelines. Whichever certifying agency's program you are taking, either in a classroom or on the internet, this book and its contents will help you succeed in this course. In this book we give you all the essential information that you will need to successfully pass the certification course and exam on your first attempt. Joe and I have been teaching this course to healthcare professionals and students since 1984. We know what works and what doesn't when it comes to helping our students be successful. We had to develop almost all of the study materials for our students by ourselves because very little existed at the time. **The Zombie Notes Study Charts** were some of the first study aids we developed to help our students learn a large amount of information very quickly. We know that this format works very well because hundreds of thousands of healthcare professionals and students, in hospitals and colleges all over the world, have used this handy, no-nonsense chart to help them successfully pass the ACLS certification exams. Therefore, in order for you to be successful on the certification exam, and on the job, we expect you to memorize every bit of information contained within the **Zombie Notes Study Charts** and within this book. It is essential that you know this information by heart and can recall it at a moment's notice. This information is not only essential for the exam, but for your career, and the survival of your patients, as well.

The AHA's ACLS course builds on the foundation of survival BLS skills, emphasizing the importance of continuous, high-quality CPR. Reflects science and education from the American Heart Association Guidelines Update for CPR and Emergency Cardiovascular Care (ECC). Here we've brought best Exam practice questions for you so that you can prepare well for this exam. Unlike other online simulation practice tests, you get an Ebook version that is easy to read & remember these questions. You can simply rely on these questions for successfully certifying this exam.

An up-to-date, concise study aid for anyone preparing for the new CCNA 640-802 exam, this new edition features coverage of Rapid Spanning Tree, wireless, IPv6, network security, VPN, and troubleshooting of various topics.

This quick-study guide shows health care professionals how to excel in the American Heart Association's Advanced Cardiac Life Support (ACLS) course and certification exam. The text covers the most recent guidelines and recommendations for providing ACLS to adults and offers a comprehensive review of ACLS fundamentals: arrhythmia recognition; pharmacology; life support techniques; algorithms; airway management; procedures for such special situations as stroke and drowning; and a Megacode review in a case-study format. Key points quickly review and reinforce each chapter's core concepts, while end-of-chapter quizzes and a mock comprehensive test let readers assess their knowledge.

The Solaris 10 System Administrator Certification Exam Prep 2 is the ideal book for both new and seasoned system administrators. This book will give you the insight you need into the newest certification exams for system administrators, the 310-200 and the 310-202. It offers classroom-style training by one of the best and well-known authors in the Solaris world, Bill Calkins. It will equip you with vital knowledge for success on exam day plus it acts a reference guide that will come in handy after the test. The content addresses all the new exam objectives in detail and will show you how to apply this knowledge to real-world scenarios.

Prepare for Cisco CCNA Routing and Switching 200-120 exam success with this Cisco Exam Gram from Pearson IT Certification, a leader in IT.
