The fastest, easiest, most comprehensive way to learn Adobe Audition CC Classroom in a Book®, the best-selling series of hands-on software training workbooks, offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. Adobe Audition CC Classroom in a Book contains 15 lessons (and one bonus lesson on www.peachpit.com) that cover the basics, providing countless tips and techniques to help you become more productive with the program. You can follow the book from start to finish or choose only those lessons that interest you. Purchasing this book gives you access to the downloadable lesson files you need to work through the projects in the book, and to electronic book updates covering new features that Adobe releases for Creative Cloud customers. For access, go to www.peachpit.com/redeem and redeem the unique code provided inside this book. “The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files forthe students.” Barbara Binder, Adobe Certified Instructor Rocky Mountain Training

Those creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Audition CS6 choose Adobe Audition CS6 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 16 project-based lessons in this book show readers step-by-step the key techniques for working in Audition CS6. Part 1 covers the basics of audio interfacing and the Audition environment. Next, readers will explore working in Waveform View, performing such tasks as basic editing, signal processing, audio restoration, mastering, and creating and recording files. Finally, in Part 3 on Multitrack View, they will learn about basic multitrack orientation and track parameters, creating music with sound libraries and by overdubbing, mixing strategies, and working with video. The companion disc includes lesson files so readers can work along with the book. “The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students.” —Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. ç Author(s) Expertise The Adobe Creative Team is made up of designers, writers, and editors who have extensive, real-world knowledge of and expertise in using Adobe products. They work closely with the Adobe product development teams and Adobe's Instructional Communications team to come up with creative, challenging, and visually appealing projects to help both new and more experienced users get up to speed quickly on Adobe software products. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Photoshop choose Adobe Photoshop Classroom in a Book (2020 release) from Adobe Press. The 15 project-based lessons show key step-by-step techniques for working in Photoshop, including how to correct, enhance, and distort digital images, create image composites, and prepare images for print and the web.
