In this practical book, Moore highlights the importance of adoption for all Christians, encouraging readers to lead the way in adoption and orphan advocacy out of our identity as adopted children of God.

The doctrine of adoption—God's decision to adopt sinful men and women into his family—stands at the heart of Christianity. In light of this, Christians' efforts to adopt beautifully illustrate the truth of the gospel. In this popular-level and practical manifesto, Russell Moore encourages Christians to adopt children and to help other Christian families to do the same. He shows that adoption is not just about couples who have struggled to have children. Rather, it's about an entire culture within evangelicalism—a culture that sees adoption as part of the Great Commission mandate and as a sign of the gospel itself.

A manifesto calling Christians to adopt children and to equip Christian families going through the process. Offers biblical foundations for adoption and identifies adoption as a Great Commission priority in evangelical churches.

Joseph of Nazareth was a good and honorable man. The adoptive father of Jesus, he stood by his wife and raised her son—even when it appeared that she had betrayed him. Such is the love of adoption. But this love stands in stark contrast to what we see in our world today: on-demand abortion, unreported abuse, and widespread neglect. Adapted from Russell Moore's influential book *Adopted for Life: The Priority of Adoption for Christian Families and Churches*, this short volume calls Christians to seriously consider adoption for their own families and thus take a stand for children—born and unborn.

This story for adopted and foster children describes the adventures of Zachary the kitten, who is taken from his mother's house when his mot her is unable to take care of him. The book follows Zachary as he first goes into foster care and then is adopted by a family of geese. Zachary experiences the expected and true-to-life feelings of shame, anger, rebelliousness, and hurt, and his adoptive parents struggle with their own feelings during Zachary's tougher times, until Zachary finally finds a place he can call home. The poignant story is brought to life by Margo Lemieux's detailed, evocative drawings.

The New York Times #1 bestselling book by Pastor Rick Warren that helps you understand and live out the purpose of your life. Before you were born, God already planned your life. God longs for you to discover the life he uniquely created you to live—here on earth, and forever in eternity. Let *The Purpose Driven Life* show you how. As one of the bestselling nonfiction books in history, with more than 35 million copies sold, *The Purpose Driven Life* is far more than just a book; it's the road map for your spiritual journey. A journey that will transform your life. Designed to be read in 42 days, each chapter provides a daily meditation and practical steps to help you discover and live out your purpose, starting with exploring three of life's most pressing questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? The book also includes links to 3-minute video introductions and a 30- to 40-minute audio Bible study message for each chapter. Plus questions for further study and additional resources. *The Purpose Driven Life* is available in audiobook, ebook, softcover, and hardcover editions. Also available: *The Purpose Driven Life* video study and study guide, journal, devotional, book for kids, Spanish edition, Large Print edition, and more.

Adoption is one of the most radically inclusive aspects of God's kingdom. All of us belong to God's family—Jesus as God's son and the rest of us as his adopted children. In *Adopted* Kelley Nikondeha explores how the Christian concept of adoption into God's family can broaden our sense of belonging. Drawing on her own story as both an adopted child and an adoptive mother, Nikondeha invites readers to a rich, biblically grounded understanding of adoption that reframes the way we perceive family, friends, and those in need of rescue. As Nikondeha unpacks the implications of adoption—and especially its potential to cross socioeconomic and ethnic boundaries—she offers new ways to approach conversations about family, adoption, connection, and the mystery of what it means to belong.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Supplies two needs: (1) profitable, useable material for family devotions and (2) a practical guide for parents helping their children learn the catechism.
