Advanced Grammar in Use contains 120 units of grammar explanation and practice exercises. It provides coverage of those language areas advanced-level students will find most rewarding to study. It retains the clarity of presentation of other books in the 'in Use' family. Two-page units present grammar explanation and examples, including typical student mistakes, on left-hand pages, and useful and varied practice on right-hand pages. Extra practice exercises at the back provide further challenging and contrastive practice of grammar points from different units. A study guide helps students find those areas most appropriate for their study. Grammar areas are cross-referenced throughout. There are useful appendices dealing with verb forms, and a glossary and all answers are given at the back.

Advanced Grammar in Use Second edition is a fully updated version of the highly successful grammar title.

The Advanced Grammar Book, 2/E is intended for the high level ESL student who has a solid foundation in the fundamentals of English grammar. This text provides the student with a sophisticated analysis of the grammatical structures of English and ample opportunity to practice using them, with the objective of increasing the student's competence in both conversational and written English. The text is designed for both pre-university and nonacademic students and includes a variety of exercises to develop oral and written competence, allowing the instructor to select those exercises that best suit the needs of the particular class.
