A determined alligator named Alfie takes his friends on a journey to find the largest numbers.

An alligator called Alfie, is fed up of having no friends and of everybody being afraid of him. When each of the other characters in the collection of tales comes by his riverbed, he does a variety of things to try and get them to be his friends

In this Level 1 Scholastic Reader, Alfie learns that the best way to get a delicious cookie is to say please! Alfie loves his mommy's cookies, and he wants one more than anything! But grabbing for one, fishing for one, and dressing up as a cookie inspector don't seem to work. His mommy says there is a better way. What is it? Beginning readers will learn proper manners with Alfie as his mommy teaches him to say the magic words.

Alfie writes a letter to his grandmother and eagerly awaits her reply.

Spend the day with Gavin the Gator as he travels through his swamp looking for tasty numbers to eat. Swimming through the swamp, He's a skilled navigator. And only makes a meal Of the numbers that are greater. Children will enjoy learning about greater than and less than equations as they help decide which number Gavin will eat. Interaction is encouraged throughout the story. Enrichment activities are included at the end of the book. The charming illustrations, along with the rhythm and rhyme of the text, will draw children into the story as they learn this important math skill.

Basic math skills for early learners! Pebbles hallmark close photo text match makes beginning math concepts clear. Equations and labels are also shown when appropriate.

Nia loves Alfie, her pet turtle. But he's not very soft, he doesn't do tricks, and he's pretty quiet. Sometimes she forgets he's even there! That is until the night before Nia's seventh birthday, when nAlfie disappears! Then, in an innovative switch in point of view, we hear Alfie's side of the story. He didn't leave Nia—he's actually searching for the perfect birthday present for his dear friend. Can he find a gift and make it back in time for the big birthday party? From the author-illustrator of Fraidyzoo and The Bear Report comes a warm and funny ode to friendship—even when the friends see the relationship, and the world, very differently.
