Specifically designed for California students and teachers. The California Mathematics Content Standards are unpacked, taught, and then reinforced throughout our program so that teachers can plan, diagnose, teach, assess, and intervene with the standards in mind.

Provides an articulated, coherent sequence of content, ensures that content standards and units of study are introduced, reinforced, and assessed and that instruction is targeted on student needs and the California Standards. Accomplished these goals with back-mapping, balanced in-depth content, ongoing assessment, intervention and differentiated instruction and professional development.

Including essays by some of this century's most prestigious literary critics -- Allen Tate, Yvor Winters, William Carlos Williams, R. P. Blackmur, R. W. B. Lewis, and Harold Bloom, among others -- this collection provides a thorough and telling introduction to Crane and his works, especially his collections of lyrical poetry, The Bridge and White Buildings. The volume is edited by Allen Trachtenberg, who has written extensively on Crane and his Whitman-like relationship to American culture.

- The only program that supports the Common Core State Standards throughout four-years of high school mathematics with an unmatched depth of resources and adaptive technology that helps you differentiate instruction for every student. * Connects students to math content with print, digital and interactive resources. * Prepares students to meet the rigorous Common Core Standards with aligned content and focus on Standards of Mathematical Practice. * Meets the needs of every student with resources that enable you to tailor your instruction at the classroom and individual level. * Assesses student mastery and achievement with dynamic, digital assessment and reporting. Includes Print Student Edition

This student-friendly, all-in-one workbook contains a place to work through Explorations as well as extra practice worksheets, a glossary, and manipulatives. The Student Journal is available in Spanish in both print and online.
