African Methodist Episcopal Church Hymnal. With Responsive Scripture Readings Adapted In Conformity With The Doctrines And Usages Of The African Methodist Episcopal Church.

Explores the emergence of African Methodism within the black Atlantic and how it struggled to sustain its liberationist identity.

Published in 1817, The Doctrines and Discipline of the African Methodist Episcopal Church was the first definitive guide to the history, beliefs, teachings, and practices of the African Methodist Episcopal Church. Beginning with a brief history, the book moves into a presentation of the "Articles of Religion," including the Trinity, the Word of God, Resurrection, the Holy Spirit, scripture, original sin and free will, justification, works, the church, purgatory, the sacraments, baptism, the Lord's Supper, marriage, church ceremonies, and government. Immediately following the articles is an extended four-part catechism that more fully explicates the meanings and implications of the doctrinal statements. A DOCSOUTH BOOK. Published in 1906 by Rev. Horace Talbert, some fifty years after slavery ended, AME church history comes to life through profiles of 122 men-faithful devotees, or spiritual "sons" of Bishop Richard Allen, founder of the African Methodist Episcopal Church. Founded in 1816, the AME church was the first organized African American denomination in the United States. These sterling portraits of the "sons of Allen," mostly AME pastors, but also leading black men from other areas of industry, awaken the dreamer within... In celebration of the 200th anniversary of the founding of the AME church, the descendants of the author have reissued this remarkable book, which includes a "Sketch" by Rev. Talbert about his beloved alma mater Wilberforce University. This edition also has new material from Talbert's family members: a preface from Mrs. Suesetta Talbert McCree, a granddaughter of Rev. Talbert, believed to be the last surviving member of her generation; and a foreword by Rev. Malcolm Hassan Stephens, an Itinerant Elder of the AME Church and a great-great grandson of Rev. Talbert. The Sons of Allen is excellent primary source material for those interested in AME Church history, African American history, American history and genealogy. All readers will be inspired by the lives these men set forth to live, encouraged by the AME motto: "God our Father, Christ our redeemer, the Holy Spirit our comforter, Humankind our family."

Looks at the life of the first black pamphleteer, abolitionist, and founder of the African Methodist Episcopal Church.

Founder of a beauty empire, Madam C. J. Walker was celebrated as America's first self-made female millionaire in the early 1900s. Known as a leading African American entrepreneur, Walker was also devoted to an activist philanthropy aimed at empowering African Americans and challenging the injustices inflicted by Jim Crow. Tyrone McKinley Freeman's biography highlights how giving shaped Walker's life before and after she became wealthy. Poor and widowed when she arrived in St. Louis in her twenties, Walker found mentorship among black churchgoers and working black women. Her adoption of faith, racial uplift, education, and self-help soon informed her dedication to assisting black women's entrepreneurship, financial independence, and activism. Walker embedded her philanthropy in how she grew her business, forged alliances with groups like the National Association of Colored Women, funded schools and social service agencies led by African American women, and enlisted her company's sales agents in local charity and advocacy work. Illuminating and dramatic, Madam C. J. Walker's Gospel of Giving broadens our understanding of black women's charitable giving and establishes Walker as a foremother of African American philanthropy.

In this book, Dennis C. Dickerson examines the long history of the African Methodist Episcopal Church and its intersection with major social movements over more than two centuries. Beginning as a religious movement in the late eighteenth century, the African Methodist Episcopal Church developed as a freedom advocate for blacks in the Atlantic World. Governance of a proud black ecclesia often clashed with its commitment to and resources for fighting slavery, segregation, and colonialism, thus limiting the full realization of the church's emancipationist ethos. Dickerson recounts how this black institution nonetheless weathered the inexorable demands produced by the Civil War, two world wars, the civil rights movement, African decolonization, and women's empowerment, resulting in its global prominence in the contemporary world. His book also integrates the history of African Methodism
