As far as bad boy Spike Moriarty was concerned, Madeline Maguire defined female perfection. When they'd met, she'd walked up as if she wasn't the most gorgeous thing on the planet and asked to see his tattoos. He—a tough guy who'd make grown men run—had just about passed out. But their connection was definitely one-way...it had to be. Because he could never be the man in a million she was looking for, not with the things he'd done and seen. So for as long as she'd let him, he'd give her whatever she wanted. He'd worry about her walking away when it happened.

A powerful man finds the one woman who completes him. The second Moorehouse Legacy novel from New York Times bestselling author J.R. Ward writing as Jessica Bird. Or play at all. A tragedy has brought Gray Bennett back to face everything he thought he'd left behind. Including the most unlikely of women. The mousy redhead who used to run around the Moorehouse B and B—the one he never noticed—is now all fiery hair and lush curves. But sweet Joy Moorehouse is too innocent for a cynic like him. So Gray won't let himself lay a hand on her...until the night he can no longer resist the woman she has become. That's when he discovers a secret that leaves him gasping for breath—and wanting more. A reader-favorite story originally published as His Comfort and Joy.

Pia has always known her destiny. She is meant to start a new race, a line of descendants who will bring an end to death. She has been bred for no other purpose, genetically engineered to be immortal and raised by a team of scientists in a secret compound hidden deep in the Amazon rainforest. Now those scientists have begun to challenge her, with the goal of training her to carry on their dangerous work. For as long as she can remember, Pia's greatest desire has been to fulfill their expectations. But then one night she finds a hole in the impenetrable fence that surrounds her sterile home. Free in the jungle for the first time in her life, Pia meets Eio, a boy from a nearby village. Unable to resist, she continues sneaking out to see him. As they fall in love, they begin to piece together the truth about Pia's origin—a truth with nothing less than deadly consequences that will change their lives forever. Origin is a beautifully told, electric new way to look at an age-old desire: to live forever. But is eternal life worth living if you can't spend it with the one you love?

Charlie and Gideon Coopers story begins where most romance stories end: at the happily ever after. Gideons protective nature makes Charlie feel safe and happy in her new life as the wife of a Navy SEAL until her happily comes crashing down around her. And though shes surrounded by loving family and friends, instead of pulling together in the wake of Charles ordeal, their secrets and wrong perceptions threaten to break them all apart. The experience will test the bond they share and determine whether Charlie and Gideon are truly Indivisible. Jessica McQuinn skillfully pulls readers into the conflicting emotions of an entire family the traumatized wife, the far-away husband, the inadequate younger brother, the over-nurturing mother. McQuinn lets readers see their strengths and their vulnerabilities-everything that makes them human. And all the while, she deftly weaves in entertaining interactions so readers get to know and adore the characters lighter sides, even as the story ventures into dark territory. Indivisible is an unforgettable story of the power of love and the importance of trust.

The force of those eyes hit Frankie Moorehouse like a gust of wind But she quickly reminded herself that she had dinner to get ready, the staff of White Caps B&B (such as it was) to motivate. She didn't have the luxury of staring into a stranger's face. Although, jeez, what a face it was. And wasn't it just her luck that the owner of that face, Nate Walker—with his rebel attitude and distaste for authority—was the chef her restaurant desperately needed, and he was staying for the summer... And...it was a bit too tempting to let this breath of fresh air sweep her off her feet. Because all work and no play had been Frankie's motto for much too long!

Four heroes you'll never forget...and the women who bring them to their knees. A four-book collection from New York Times bestselling author J.R. Ward writing as Jessica Bird. Suddenly Nate has a job he doesn't need—and an affair that has to end when summer does. Except Frankie gets under his skin and makes him want to do what he never thought he could: stay forever. The Player Ruthless might as well be Gray Bennett's middle name. When the DC insider talks, people listen. But Gray hasn't come home to play politics. Or to play at all. A tragedy has brought him back to face everything he left behind. Including sweet Joy Moorehouse. Gray won't lay a hand on the innocent...until the night comes that he can no longer resist. That's when he discovers a secret that leaves him wanting more. The Renegade Alex Moorehouse has always yearned for his best friend's wife, but when an accident makes her a widow, the grief—and the guilt—threaten to sink him. But as they reluctantly work together to rebuild his family's bed-and-breakfast, and his anguished heart in the process, will their growing bond be strong enough to survive both of their secrets? The Rogue Michael “Spike” Moriarty has a thing for Madeline Maguire. But he's not the man for her. He has a dark past and it's all coming to the surface. Madeline's been burned enough to know better. Yet when she needs help to ward off her scheming family, Spike is the one at her side. He says they can only be friends, but his actions tell a very different story... Four reader-favorite stories originally published as Beauty and the Black Sheep, His Comfort and Joy, From the First and A Man in a Million.

"Vivid characters, terrifying monsters, and world building as deep and dark as the ocean." --Victoria Aveyard, #1 New York Times bestselling author of Red Queen I am Henrietta Howel. The first female sorcerer in hundreds of years. The prophesied one. Or am I? Henrietta Howel can burst into flames. Forced to reveal her power to save a friend, she's shocked when instead of being executed, she's invited to train as one of Her Majesty's royal sorcerers. Thrust into the glamour of Victorian London, Henrietta is declared the chosen one, the girl who will defeat the Ancients, bloodthirsty demons terrorizing humanity. She also meets her fellow sorcerer trainees, handsome young men eager to test her power and her heart. One will challenge her. One will fight for her. One will betray her. But Henrietta Howel is not the chosen one. As she plays a dangerous game of deception, she discovers that the sorcerers have their own secrets to protect. With battle looming, what does it mean to not be the one? And how much will she risk to save the city—and the one she loves? Exhilarating and gripping, Jessica Cluess's spellbinding fantasy introduces a powerful, unforgettably heroine, and a world filled with magic, romance, and betrayal. Hand to fans of Libba Bray, Sarah J. Maas, and Cassandra Clare. "The magic! The intrigue! The guys! We were sucked into this monster-ridden, alternative England from page one. Henrietta is literally a 'girl on fire' and this team of sorcerers training for battle had a pinch of Potter blended with a drop of [Cassandra Clare's] Infernal Devices." --Justine Magazine "Cluess gamely turns the chosen-one trope upside down in this smashing dark fantasy." --Publishers Weekly, Starred Review "Unputdownable. I loved the monsters, the magic, and the teen warriors who are their world's best hope! Jessica Cluess is an awesome storyteller!" --Tamora Pierce, #1 New York Times bestselling author "A fun, inventive fantasy. I totally have a book crush on Rook." --Sarah Rees Brennan, New York Times bestselling author "Pure enchantment. I love how Cluess turned the 'chosen one' archetype on its head. With the emotional intensity of my favorite fantasy books, this is the kind of story that makes you forget yourself." --Roshani Chokshi, New York Times bestselling author of The Star-Touched Queen "A glorious, fast-paced romp of an adventure. Jessica Cluess has built her story out of my favorite ingredients: sorcery, demons, romance, and danger." --Kelly Link, author of Pretty Monsters

Take-no-prisoners deal-maker Sean O'Banyon ate Wall Street financiers for lunch. So why was he losing sleep over a fresh-scrubbed nurse in old jeans and a too-big T-shirt? Maybe it was those warm green eyes. Or the way she blushed when he got personal. There was no denying the serious chemistry between them. But sooner or later Lizzie would learn his deep, dark secrets: First, he had trust issues. And second—he'd rather not go into the whole family thing. He didn't do relationships...but amazingly, Lizzie made him want one anyway.
