Unwilling Bride & Groom Jo Beverley has done it again, brought forth another fascinating chapter in the story of the Company of the Rogues. This is Lucien, Marquess Arden's story of an unwilling bride. I found at times I was not at sympathy with either character, they were so frustrating, but perhaps that was Ms Beverley's point.

Add to that her worry about where her wayward sister has gone and it's a recipe for both passion...and disaster. sooner had this enigmatic, darkly handsome man ridden through the castle gates than she realized he was nothing like the boy she recalled. And very much a man she could love... BOUND BY DESIRE... Haunted by secrets from his past, Merrick was unwilling to return to Tregellas—until he caught sight of his bride-to-be. Beautiful and spirited, Lady Constance was everything he wanted in a wife. She stirred his passion—and his heart—as no woman ever had before. But what would happen when she discovered the truth? When enemies begin plotting their downfall, only trust can save a match never meant to end in true love.

In the waning hours of the 19th century, when America was still finding its feet and England was stamping down the freedoms of Ireland, immigrants were faced with an uncertain fate. Beautiful and high-spirited Caitlin Gallagher has no desire to be married. But her parents thought they were doing the best thing for her by marrying her off to a man with money, position and a secure standing in the fledgling United States, even though he happened to be English. His social standing would protect her while they were deported back to their war torn homeland, Ireland. It wasn't just Caitlin's vow to hate her new husband that drove them apart, but the plotting of jealous women and the politics of dishonest men. Can Caitlin work through her anger, finding faith in God and love in Dillon's arms? Gentle Dillon Cade has lived a quiet life for thirteen years in Norfolk, Virginia. But that is all about to change. As he juggles treasonous acts with his newspaper, fights against President Adams' unfair sedition acts, and tries to help Thomas Jefferson get elected, he must now, also, deal with an unwilling bride, who disturbs his peaceful life. Can Dillon tolerate her behavior long enough to win her trust?

In the economic collapse that follows the Napoleonic Wars, retired Ambassador, Sir Horace Lambourn, and his family are all but bankrupt and cannot meet their ever mounting bills. Suddenly, though, a last minute rescue appears in the form of the request for the hand in marriage of Sir Horace 's beautiful daughter, Camilla, from none other than His Serene Highness the Prince of Meldenstein. Sir Horace is cock-a-hoop, especially when he learns of the very generous Marriage Settlement on offer, which will solve all his financial problems for the rest of his life. But understandably Camilla is afraid and appalled at the prospect of marrying a man she has never met. She has lived a quiet and sheltered life in the country with her parents and has no knowledge of the wicked scheming ways of the world outside. Escorted by the dashing Captain Hugo Cheverly and her chaperone, an elderly Baroness from Meldenstein, Camilla sets out on a daunting journey by coach across Europe to meet her mysterious Royal suitor. On the way Camilla is made apprehensive and nervous by what she and Hugo Cheverly hear about the ruling family of Meldenstein and their behaviour. When finally they reach the grand and imposing Palace of Meldenstein, the Prince turns out to be a drug-addled, depraved and tyrannical monster. Along the way she meets with many perils as well as the intrigues of High Society and, eventually, love where she least expected to find it.
