George Orwell's celebrated novella, Animal Farm, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny.Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.:' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all prestigious bestseller lists for the past many years.

Cultivate an Attitude of Gratitude Writing in a gratitude journal may only take a few minutes of your day, but doing so has the power to turn your entire life around. The Law of Attraction says that whatever you focus on grows stronger. By making a habit to focus on the positive side of things, even something you might label as negative, you are tapping into the secret of living a happy life. When we start counting the little things that we treasure, things that may otherwise escape our attention in the chaos of daily life, not only are we becoming more positive and loving, but more giving and appreciative as well. Our happiness is no one's responsibility but our own; when we stop reacting to the people and circumstances around us, we're taking back control of our lives in order to steer it in the direction we want to go. Giving thanks to the universe is giving love, and what we give inevitably comes back to us. Have an attitude of gratitude. Once you make a habit out of appreciating all the gifts in life, big or small, you'll begin to attract more positive people and situations. Bad habits and former worries will disappear, replaced by faith and good feeling toward yourself and others. Starting a gratitude journal is easy. All you need is a pen, a notebook, and a moment to lay down your appreciation for what you've been given in life. This book contains journal prompts on 52 different topics, each one beginning with an inspirational gratitude quote from great men and women of the past and present. You can focus on one topic a week if you wish/that's enough to last you a year. Or you may pick and choose a prompt at random if you are looking for inspiration and new ideas on any given day.
