Routledge International Handbook of Dramatherapy is the first book of its kind to bring together leading professionals and academics from around the world to discuss their practice from a truly international perspective. Dramatherapy has developed as a profession during the latter half of the twentieth century. Now, we are beginning to see its universal reach across the globe in a range of different and diverse approaches. From Australia, to Korea to the Middle East and Africa through Europe and into North & South America dramatherapists are developing a range of working practices using the curative power of drama within a therapeutic context to work with diverse and wide ranging populations. Using traditional texts in the Indian sub-continent, healing performances in the Cameroon, supporting conflict in Israel and Palestine, through traditional Comedic theatre in Italy, to adolescents in schools and adults with mental ill health, this handbook covers a range of topics that shows the breadth, depth and strength of dramatherapy as a developing and maturing profession. It is divided into four main sections that look at the current international: Developments in dramatherapy Theoretical approaches Specific practice New and innovative approaches Offering insights on embodiment, shamanism, anthropology and cognitive approaches coupled with a range of creative, theatrical and therapeutic methods, this ground breaking book is the first congruent analysis of the profession. It will appeal to a wide and diverse international community of educators, academics, practitioners, students, training schools and professionals within the arts, arts education and arts therapies communities. Additionally it will be of benefit to teachers and departments in charge of pastoral and social care within schools and colleges.

For readers of Mozart in the Jungle and Year of Wonder, a new history of and guide to classical music. Paul Morley made his name as a journalist covering the rock and pop of the 1970s and 1980s. But as his career progressed, he found himself drawn toward developing technologies, streaming platforms, and, increasingly, the music from the past that streaming services now made available. Suddenly able to access every piece Mozart or Bach had ever written and to curate playlists that worked with these musicians' themes across different performers, composers, and eras, he began to understand classical music in a whole new way and to believe that it was music at its most dramatic and revealing. In A Sound Mind, Morley takes readers along on his journey into the history and future of classical music. His descriptions, explanations, and guidance make this seemingly arcane genre more friendly to listeners and show the music's power, depth, and timeless beauty. In Morley's capable hands, the history of the classical genre is shown to be the history of all music, with these long-ago pieces influencing everyone from jazz greats to punk rockers and the pop musicians of today.

Solongus is a full-length business novel, focused on the on-going automotive industry in the world. Thus, it is not a period novel on ' Turf Fight of Power. ' But it is an epitome of warlike competition on a global product that is a horseless carriage – automobile. Currently, global automakers such as GM, Ford, Toyota, Volks Wagon, BMW, Benz, Renault, Fiat, Hyundai, Tata, Chinese Big Four, and other dark horses, are fiercely competing for the market share in the world to get the popularity from earthlings as if they were Pretenders to the throne in the world. Right here, their class acts in the borderless battlefield are portrayed art of war in the Heroic Age. In the book series, their versatile strategies and skilled tactics are also revealed under the shiny commercial slogans, of course, with their own chariots.

Biografie van de Britse acteur (1937- ).

Antony Hopkins was most instrumental in opening up classical music to a wider audience. To celebrate his 90th birthday in 2011 (21st March, same date as Bach but different year) we are republishing some of his works.

Save Me the Waltz is the first and only novel by the wife of F. Scott Fitzgerald. During the years when Fitzgerald was working on Tender Is the Night, Zelda Fitzgerald was preparing her own story, which parallels the narrative of her husband, throwing a fascinating light on F. Scott Fitzgerald ' s life and work. In its own right, it is a vivid and moving story: the confessions of a famous, slightly doomed glamour girl of the affluent 1920s, which captures the spirit of an era.

The star of the cult classic Withnail and I offers " a refreshing combination of comedy, confession, and coruscation " in this memoir of the movie business (Kirkus Reviews). Richard E. Grant ' s acting career has included memorable roles in some of Hollywood ' s most critically acclaimed films, including Robert Altman ' s Gosford Park and Francis Ford Coppola ' s Dracula. But he attributes his success to his first film role, starring as a flamboyantly pathetic Shakespearean in the underground hit Withnail and I. As Grant explains, " I had no notion that, almost without exception, every film offered since would be the result of playing an alcoholic out-of-work actor. " In With Nails, Grant shares his long, maddening, and immensely rewarding journey through the world of film. From the hell of making Hudson Hawk to befriending Steve Martin on the set of L.A. Story; and from eating spaghetti with the Coppolas, to window-shopping with Sharon Stone, and working with and learning from the best actors and directors in the business, Grant ' s unvarnished memoir " is a biting and wonderfully funny look at the movie business by an actor who is as clear-eyed and observant about himself as he is about the craziness surrounding him " (Publishers Weekly, starred review).
