The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life." —Jon Stewart When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

Spring and All (1923) is a book of poems by William Carlos Williams. Predominately known as a poet, Williams frequently pushed the limits of prose style throughout his works, often comprised of a seamless blend of both forms of writing. In *Spring and All*, the closest thing to a manifesto he wrote, Williams addresses the nature of his modern poetics which not only pursues a particularly American idiom, but attempts to capture the relationship between language and the world it describes. Part essay, part poem, *Spring and All* is a landmark of American literature from a poet whose daring search for the outer limits of life both redefined and expanded the meaning of language itself. "There is a constant barrier between the reader and his consciousness of immediate contact with the world. If there is an ocean it is here." In *Spring and All*, Williams identifies the incomprehensible nature of consciousness as the single most important subject of poetry. Accused of being "heartless" and "cruel," of producing "positively repellant" works of art in order to "make fun of humanity," Williams doesn't so much defend himself as dig in his heels. His poetry is addressed "[t]o the imagination" itself; it seeks to break down the "the barrier between sense and the vaporous fringe which distracts the attention from its agonized approaches to the moment." When he states that "so much depends / upon // a red wheel / barrow," he refers to the need to understand the nature of language, which keeps us in touch with the world. With a beautifully designed cover and professionally typeset manuscript, this edition of William Carlos Williams' *Spring and All* is a classic of American literature reimagined for modern readers.

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

This full-color, oversized hardcover art book delves deep into the lore of the tremendously popular competitive first-person shooter Apex Legends. Explore the world of the hit game through the eyes of the lovable robot, Pathfinder, as he chronicles his journey throughout the various environs of the Outlands to interview his fellow Legends--all in the hope of finally locating his mysterious creator. The rich history of Apex Legends is explained by the characters that helped to shape it, as are their unique bonds of competition and camaraderie. This volume chronicles the world of Respawn Entertainment's stunning free-to-play game that has captivated the online gaming scene, attracting over seventy million players and counting. Don't miss your opportunity to own a piece of Apex Legends history!

Literary scholar, professor, and poet J. Lesslie Hall is best known for his 1897 translation of the Old English epic poem "Beowulf."
