Published by Stackpole and its predecessor corporate names for over 75 years, this book is the bible for Army officers. Condensed from Army regulations -- and the customs and traditions of the service -- the guide provides the latest soldier information and frank advice on a variety of issues of service life. Also included is a directory of current Army Internet sites and a 16 page full-color portrayal of Army awards and decorations. Included in the anniversary edition is a publisher's foreword giving the history of this book from its 1930 first edition until today, along with interesting excerpts from the 1930 edition.

This manual, TRADOC Pamphlet TP 600-4 The Soldier's Blue Book: The Guide for Initial Entry Soldiers August 2019, is the guide for all Initial Entry Training (IET) Soldiers who join our Army Profession. It provides an introduction to being a Soldier and Trusted Army Professional, certified in character, competence, and commitment to the Army. The pamphlet introduces Soldiers to the Army Ethic, Values, Culture of Trust, History, Organizations, and Training. It provides information on pay, leave, Thrift Saving Plans (TSPs), and organizations that will be available to assist you and your Families. The Soldier's Blue Book is mandated reading and will be maintained and available during BCT/OSUT and AIT. This pamphlet applies to all active Army, U.S. Army Reserve, and the Army National Guard enlisted IET conducted at service schools, Army Training Centers, and other training activities under the control of Headquarters, TRADOC.

How to train, lead, and counsel troops effectively plus how to move along one's career as an NCO by continuing education, training, and professional development. Information about all the regulations NCOs need to be aware of in carrying out their jobs. References to Army publications are completely converted to the new numbering system.

DA PAM 670-1 is the Guide to wear and appearance of all US Army uniforms and their associated insignia. This reference is a must have source item for all Soldiers across the Army. This 6x9 inch paperback is meant to be used in conjunction with other books in this series.

This regulation prescribes the authorization for wear, composition, and classification of uniforms, and the occasions for wearing all personal (clothing bag issue), optional, and commonly worn organizational Army uniforms. It also prescribes the awards, insignia, and accouterments authorized for wear on the uniform, and how these items are worn. General information is also provided on the authorized material, design, and uniform quality control system. Only uniforms, accessories, and insignia prescribed in this regulation or in the common tables of allowance (CTA), or as approved by Headquarters, Department of the Army (HQDA), will be worn by personnel in the U.S. Army. Unless specified in this regulation, the commander issuing the clothing and equipment will establish wear policies for organizational clothing and equipment. No item governed by this regulation will be altered in any way that changes the basic design or the intended concept of fit as described in TM 10-227 and AR 700-84, including plating, smoothing, or removing detail features of metal items, or otherwise altering the color or appearance. All illustrations in this regulation should coincide with the text. The written description will control any inconsistencies between the text and the illustration. AR 70-1 prescribes Department of the Army (DA) policies, responsibilities, and administrative procedures by which all clothing and individual equipment used by Army personnel are initiated, designed, developed, tested, approved, fielded, and modified. AR 385-10 prescribes DA policies, responsibilities, and administrative procedures and funding for protective clothing and equipment. In accordance with chapter 45, section 771, title 10, United States Code (10 USC 771), no person except a member of the U.S. Army may wear the uniform, or a distinctive part of the uniform of the U.S. Army unless otherwise authorized by law. Additionally, no person except a member of the U.S. Army may wear a uniform, any part of which is similar to a distinctive part of the U.S. Army uniform. This includes the distinctive uniforms and uniform items listed in paragraph 1-12 of this regulation. Further, soldiers are not authorized to wear distinctive uniforms or uniform items of the U.S. Army or of other U.S. Services with, or on civilian clothes, except as provided in chapters 27 through 30 of this regulation.

Traumatic brain injury (TBI) is a complex condition for which limited research exists. The recent conflicts in Iraq and Afghanistan have resulted in numerous service members returning home after sustaining TBI, and healthcare providers scrambling to find resources on how to treat them. This toolkit is a comprehensive source of inventories and therapy options for treating service members with mild TBI. All aspects of mild TBI are covered, including vestibular disorders, vision impairment, balance issues, posttraumatic headache, temporomandibular dysfunction, cognition, and fitness, among others. With easy-to-follow treatment options and evaluation instruments, this toolkit is a one-stop resource for clinicians and therapists working with patients with mild TBI.
