science, Emma Byrne examines the latest research to show how swearing can be good for you. With humor and colorful language, she explores every angle of swearing—why we do it, how we do it, and what it tells us about ourselves.

Online Library

Asapscience

Not only has some form of swearing existed since the earliest humans began to communicate, but it has been shown to reduce physical pain, to lower anxiety, to prevent physical violence, to help trauma victims recover language, and to

There are, Alice decides, 272 horrible things left to happen to her in her life, based on the number of

Online Library Asapscience

really horrible things that have happened already. She figures that out after the disaster of the talent show. And she realizes that there is no way to fend them off. But, she reasons, if you don't have a mother, maybe a sister would help.

Online Library

Asapscience

Maybe lots of sisters. A worldwide sisterhood!

Sisterhood means more sympathy and less likely odds that the next horrible thing will strike when Alice is by herself. But, Sisterhood also comes with a whole new set of

Online Library Asapscience

problems for Alice.
Can she be Sisters
with all three girls
who want to be her

how do boys fit into
Universal
Sisterhood at all?
And how far should
she you go when
being part of the
crowd means doing
something you

Online Library Asapscience

don't want to do?
Alice copes with
life in her own way,
and her solutions
to her endless
problems are often
funny and
surprisingly right.
