Heroes don't stand for themselves. They stand for others who cannot. Betrayed by those they'd taken in and narrowly avoiding a disaster of untold proportions, Marcus and his friends are once again thrust into a fight for their very survival, this time against Carver and his band of murderous adventurers. But as their newfound war quickly reaches a stalemate, both sides find themselves scrambling for a way to break it, while viciously battling one another for every inch of ground that they can steal in the process. Yet just as Marcus and the others manage to gain an advantage that could very well end the conflict, they find their world turned upside down as an even greater enemy appears on the horizon. Pushed to the brink, it will take every ounce of cunning and courage they have to find a way to survive. Assuming they can at all.

Fresh off their victory over Graves and his followers, Marcus and his friends have managed to enjoy a few weeks of relative calm and peace as they continue to build Aldford, preparing the town for a new wave of settlers coming from Eberia. But as the days wear on with no new arrivals in sight, they begin to fear the worse, eventually setting out to search for their promised reinforcements and soon realizing that they weren't as alone on the frontier as they thought they were. Just managing to rescue a caravan of settlers in the nick of time from a horde of bandits, Marcus and the rest of Virtus barely have a chance to catch their breath before they find themselves thrust into the middle of Eberian politics, revealing a plot that threatens to not only take away their hard-won independence. But to destroy Aldford completely.

Maulkin didn't know dying would mean a new eternity of dungeon delving, monster slaying, and glory hunting. If he had, he wouldn't have been so worried about kicking the bucket on a date gone even more wrong than usual. Reborn in the wild world of Amaranth, Maulkin finds himself in a hulking demi-human body with a sword of a size to match. Marked as an Eternal, a fledgling immortal of boundless potential, Maulkin soon discovers he's been given a mission by the elder pantheon of this new realm: Grow stronger. Ascend to godhood. Spread chaos in their name. Oh and fend off that inbound apocalypse, if he can find the time. Who wants an easy afterlife anyway?

A new side novel set in the Ascend Online universe! 'Book 1.5' Lazarus Cain is a member of the Grim Shadows, one of the Thieves Guilds in the city of Eberia. Unfortunately, Lazarus is having a bad day. Waking up in a torture chamber, suffering from amnesia, he'd be pretty much screwed if not for the mysterious, magical sigil burned into his chest. Sometimes a really bad day should be shared with others, especially professional torturers. Lazarus will need to use all his cunning and skill to work with his comrades, uncovering schemes within schemes, discovering that The Grim Shadows are not the only Thieves Guild in the city mired in conflict. What's more, the leaders of the other guilds, the Thief Lords, don't respond well to treachery...
