A collection of capsule reviews of films selected from the first century of of movie-making spans a wide range of genres and styles, from classic documentaries and Russian silent films to blockbuster Hollywood movies. Original. 40,000 first printing.

Hailed by The New York Times Book Review as "a gifted observer, able to discern the exact details that bring whole worlds into being" and "a storyteller who could keep a sultan on the edge of his throne for a thousand and one nights," A. S. Byatt writes some of the most engaging and skillful novels of our time. Time magazine calls her "a novelist of dazzling inventiveness." Possession, for which Byatt won England's prestigious Booker Prize, was praised by critics on both sides of the Atlantic when it was first published in 1990. "On academic rivalry and obsession, Byatt is delicious. On the nature of possession—the lover by the beloved, the biographer by his subject—she is profound," said The Sunday Times (London). The New Yorker dubbed it "more fun to read than The Name of the Rose . . . Its prankish verve [and] monstrous richness of detail [make for] a one-woman variety show of literary styles and types." The novel traces a pair of young academics—Roland Michell and Maud Bailey—as they uncover a clandestine love affair between two long-dead Victorian poets. Interwoven in a mesmerizing pastiche are love letters and fairytales, extracts from biographies and scholarly accounts, creating a sensuous and utterly delightful novel of ideas and passions. With an Introduction by the author that describes the novel's origins and its twenty-year gestation, this Modern Library edition is a handsome keepsake for fans of Possession—new and old alike.

Poe ' s classic tale lives on in this gothic novel of ancestral madness in the mountains of modern-day North Carolina, from a New York Times – bestselling author. Ever since Edgar Allan Poe looted a family ' s ignoble secret history for his classic story “ The Fall of the House of Usher, ” living in the shadow of that sick dynasty has been an inescapable scourge for generations of Usher descendants. But not for horror novelist Rix Usher. Years ago, he fled the isolated family estate of Usherland in the menacing North Carolina hills to pursue his writing career. He promised never to return. But his father ' s impending death has brought Rix back home to assume the role of Usher patriarch—and face his worst fears. His arrival forces him to confront a devious and impassive family and his vulnerable sister ' s slow descent into insanity. Stirring memories of the grim folktales born out of the surrounding Briartop Mountains and the terrifying legends of missing children, Rix knows that in the dark, twisted corridors of Usherland, that dreadful something he saw as a young boy is still there. It ' s waiting for him, as decayed and undying as the Usher heritage, and more depraved than anything Poe could have imagined. This eerie novel by the Bram Stoker Award – winning
