Each individual Defining Moments ebook is a fascinating look at the remarkable ways in which God has used an ordinary person to change history. But it is about more than history alone—it illuminates the

present and unveils the future. Prophetic in nature, it reveals how God wants to work in each of our lives to fulfill His purposes—today, tomorrow, and in the years to come. The stories in the Defining Moments collection of God-encounters carry a prophetic anointing for all who have ears to hear. Author Bill Johnson highlights the significant traits and contributions of many well-known revival leaders, including John Wesley, Charles Finney, Dwight L. Moody, Maria Woodworth-Etter, Carrie Judd Montgomery, Smith Wigglesworth, John G. Lake, Evan Roberts, Rees Howells, Aimee Semple McPherson, Kathryn Kuhlman, Randy Clark, and Heidi Baker. He explains the impact these leaders can have on us today as we respond to the life-changing truths revealed through their life stories. There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives. It is a power that inspires us to hunger for God in such a way that we, too, will have an encounter with Him that launches us into the world of the “impossible,” enabling us to fulfill a greater measure of our destiny. Read this ebook with a sense of readiness, and watch what happens.

There ?s a new way out of addictions, alcoholism, and life-controlling problems. Disappointed and discouraged, many today would abandon A.A., 12 Step programs, treatment, and therapy because of low success rates. But there is a far better way: look to the history, principles, and practices of early A.A. with its documented 75% to 93% success rate among medically incurable alcoholics who really tried. That?s when A.A. did work. Also, look to the history, principles, and practices of the world-wide societies which spawned A.A. ideas and were highly effective?the Salvation Army, the Rescue and Gospel Missions, United Christian Endeavor Society, Young Men?s Christian Association. You will see a common thread. You?ll see it in early A.A. too. And this book will tell you about it. Then, look to the history, principles, and practices of churches, clergy, para-church, Christ-centered, and Christian recovery programs. Look to the histories of healing by religious means. It dates from the Old Testament and follows through to today. When people relied upon the Creator, accepted Christ, called upon God in Jesus? name for cure, and believed, they received. A New Way Out leads to the power of God, the name of Jesus Christ, the love of God and neighbor, and serving others. It applauds the good things in A.A. and 12 Step programs. It respects the good things in religion. It grounds you in the historical elements of recovery by the power of God and then points you to support groups and church armed as you will be with those elements of each that worked in the earliest days, and those that don?t work today.

This is a book unlike any of the many recent biographies of A.A. co-founder William Griffith Wilson (known as Bill W.). It is filled with information about Bill's religious education, experiences, and beliefs from childhood forward. Thus Bill's knowledge of his grandfather Willie's conversion on Mount Aeolus and deliverance from alcoholism, the involvement of Bill's grandparents--the Wilsons and the

Griffiths--in the life of the little East Congregational Church on the lawn between the two families' houses, the reading of the Bible by Bill's grandfather Fayette Griffith and by Bill and his boyhood friend Mark, Bill's attendance at the Congregational Sunday School and his attendance at Temperance of revival meetings, his five (yes, five) self-described spiritual experiences including his decision for Christ at Calvary Rescue Mission and his "hot flash" conversion experience at Towns Hospital, his conversations with his famous doctor William D. Silkworth about the Great Physician Jesus Christ and cure of alcoholism through Christ, Bill's extensive involvement with the Oxford Group and particularly Rev. Sam Shoemaker, and Bill's intensive involvement in prayer, Bible study, the use of devotionals, and seeking of guidance with Dr. Bob and Anne Smith at the Smith Home in Akron, particularly in the summer of 1935. All these, and more, are told in this exciting and little-known story about Wilson and God. Was Bill converted to Christ? Did Bill believe in the Creator? Did the Creator have an impact on Alcoholics Anonymous through Bill Wilson? Did the Hand of the Creator touch the lives of Wilson and of the A.A. Fellowship? Your most detailed questions and the answers about these subject have never been addressed by A.A. historians in any depth. But A.A. historian and writer, Bible student, retired attorney, and recovered AA Dick B. presents this--his thirtieth published title--as a crowning historical piece on A.A., church, religion, God, Jesus Christ, and the Bible as they really existed at and before the founding of Alcoholics Anonymous on June 10, 1935

Dick B.'s latest exploration of, and report on the solid evidence that early AAs were cured of alcoholism and said so for the first decade after their founding. This title tells HOW. It explains the many reports of religious healings through the ages, the many in or observers of A.A. who proved that they were cured, the myths about God, alcoholism, and "no cure," and the key origins, roots, and elements of the early Akron Christian Fellowship where the cures occurred. A book for believers who know God's power and want to know how it was applied in the healing of alcoholism by A.A. pioneers

As for God, His way is perfect; The word of the LORD is proven; He is a shield to all who trust in Him. For who is God, except the LORD? And who is a rock, except our God? It is God who arms me with strength, And makes my way perfect. He makes my feet like the feet of deer, And sets me on my high places. He teaches my hands to make war, So that my arms can bend a bow of bronze. You have also given me the shield of Your salvation; Your right hand has held me up, Your gentleness has made me great. Psalm 18:30-35 The book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote.

Intended for use by recovery newcomers, educational and religious alcoholism programs, recovery groups and treatment centers, and substance abuse agencies. Here, for the first time, is a simple, accurate, concise statement of the origins, trends, changes, and detours leading up to, involved in, and evolving from A.A.'s Big Book and Twelve Step spiritual program of recovery. A must for introducing the A.A./12 Step subject usefully
