Beethoven: Violin Concerto: Amazon.co.uk: Music

Beethoven's violin concerto is a great old warhorse, and every violinist of any merit will play it. Itzhak Perlman's version is the absolute best version I have ever heard. I would query the sound of the BPO under Barenboim. They seem to have lost the instantly recognisable quality of sound that they once had.

Orchestral Accompaniment for BEETHOVEN Violin Concerto in ...

Ludwig van Beethoven composed his Violin Concerto in D major, Op. 61, in 1806. Its first performance by Franz Clement was unsuccessful and for some decades the work languished in obscurity, until revived in 1844 by the then 12-year-old violinist Joseph Joachim with the orchestra of the London Philharmonic Society conducted by Felix Mendelssohn. Since then it has become one of the best-known ...

Violin Concerto (Beethoven) - Wikipedia

Brand new Book. Beethoven's Violin Concerto was the only significant work of this genre to appear between Mozart's five concertos of 1775 and Mendelssohn's E minor Concerto of 1844. This handbook explores the background to Beethoven's work, its genesis, its place in the composer's oeuvre and the influences which combined in its creation.

Beethoven's only two other works of note for the violin were his Romance in G Opus 40, and Romance in G Opus 50, completed a few years before this concerto. Lyrical and spacious in tone, they couldn't be more different from the Violin Concerto's most famous movement: a zesty, spirited finale making dazzling use of the instrument's melodic range.

Opus 35 (1878).

Using one of the most famous works in classical music—Beethoven’s Fifth Symphony—here is the perfect way to introduce a young child to the world of classical music. This charming and interactive picture book with its panel of 19 sound buttons is like a ticket to a concert hall, taking readers on a journey from the exciting first moment when the musicians begin tuning up to the end of the first movement (attention newcomers: don’t clap yet!). At each step of the way, readers learn the basics of classical music and the orchestra: What is a conductor? What is a symphony? Who was Beethoven? The different aspects of music: melody, harmony, tempo, theme. And the families of instruments—strings, woodwinds, brass, and percussion. But the best part is that every critical idea is illustrated in gorgeous sound. The sound panel allows readers to hear the different parts of the symphony and voices of the music—the famous beginning of the Fifth, what a clarinet sounds like, the difference between a violin and a viola, what a melody is, and what harmony is. Kids will want to match their voices to the A note that tunes the orchestra, dance to the rhythmic passages—and, of course, sing along to da-da-da-daah!

“Life of Beethoven” is a 1840 biography of Beethoven written by his friend Anton Schindler. Ludwig van Beethoven (1770–1827) was a German composer and pianist. Beethoven's musical prowess was recognised from an early age, and he soon became famous as a virtuoso pianist and composer. However, after having gone almost completely deaf by 1814, Beethoven ceased public performances and appearances entirely. One of the most celebrated composers in Western history, Beethoven's music remains amongst the most commonly-performed classical music around the world. Contents include: “First Period - From His Birth To The Year 1800”, “Second Period - From 1800 To October, 1813”, “Third Period - From November, 1813, Till His Death, in 1827, Part I”, “Third Period - Till His Death In 1827, Part II”, “Third Period - From 1824 Till Beethoven's Death In 1827, Part III”, “Musical Observations”, etc. A unique early biography of Beethoven by someone who knew him personally not to be missed by those with an interest in classical music in general. Anton Felix Schindler (1795–1864) was a friend, secretary, and biographer of Ludwig van Beethoven. Other notable works by this author include: “Beethoven as I knew him” (1996) and “The life of Beethoven (1966). Read & Co. Books is republishing this classic biography now in a new edition complete with a specially-commissioned new biography of the author.

Complete scores of five great Beethoven piano concertos, with all cadenzas as he wrote them, reproduced from authoritative Breitkopf & Härtel edition. Includes new table of contents.

“Brilliant....This book is a perfect marriage—or should one say, duet—of subject and author, every word

Online Library Beethoven Violin Concerto Hardcover

as masterly as the notes of the artist it illuminates.” – Christopher Buckley, Forbes “This is not just criticism but poetry in itself, with the additional—and inestimable—merit of being true.” – Washington Post Book World Pulitzer Prize-winning author Edmund Morris (The Rise of Theodore Roosevelt, Theodore Rex, Dutch) is one of America’s most distinguished biographers, known for his rich, compulsively readable prose style. His biography of Beethoven, one of the most admired composers in the history of music, is above all a study of genius in action, of one of the few giants of Western culture. Beethoven is another engaging entry in the HarperCollins’ “Eminent Lives” series of biographies by distinguished authors on canonical figures.

Provides a detailed overview of the life of Ludwig van Beethoven, from Enlightenment-era Bonn to the musical capital of Vienna, describing the composer's career, ill health, and romantic rejections.

****WINNER of Presto Books' Best Composer Biography**** NINE WORKS OF BEETHOVEN, NINE WINDOWS INTO THE LIFE AND LEGACY OF A MUSICAL GENIUS. 'We are doubly blessed that Beethoven should have led such an extraordinary life. Laura has combined the two – the genius of his music and the richness of his experiences – to shine a revealing light on our greatest composer' John Humphrys

_____ Ludwig van Beethoven: to some, simply the greatest ever composer of Western classical music. Yet his life remains shrouded in myths. In Beethoven, Oxford professor Laura Tunbridge cuts through the noise. With each chapter focusing on a period of his life, piece of music and revealing theme – from family to friends, from heroism to liberty – she provides a rich insight into the man and the music. Revealing a wealth of never-before-seen material, this tour de force is a compelling, accessible portrayal of one of the world's most creative minds and it will transform how you listen for ever. _____ 'Tunbridge has come up with the seemingly impossible: a new way of approaching Beethoven's life and music . . . profoundly original and hugely readable' John Suchet, author Beethoven: The Man Revealed 'This well researched and accessible book is a must read for all who seek to know more about the flesh and blood tangible Beethoven.' John Clubbe, author of Beethoven: The Relentless Revolutionary 'This book is really wonderful! ... However many books on Beethoven you own, find the space for one more. This one' Stephen Hough, pianist, composer, writer 'In a year when everyone's looking for a new take on Beethoven, Laura Tunbridge has found nine. Fresh and engaging' Norman Lebrecht, author of Genius and Anxiety 'Remarkable . . . she captures the essence of his genius and character. I'll always want to keep it in easy reach' Julia Boyd, author of Travellers in the third Reich

Jewish-Hungarian composer Schneidermann, who survived a musical education, survived the war, survived Europe, survived the neglect of all his music, finally and suddenly vanishes during a movie matinee on the Upper West Side of New York. The novel begins with Schneidermann's friend--his last friend, his only friend--the violin virtuoso Laster, onstage at Carnegie Hall. He has finished playing the first movement of Schneidermann's last composition, his Violin Concerto. At this point he is supposed to begin his cadenza...his solo. Instead, he drops his instrument and lifts his voice, delivering the text of this novel unto the audience, held captive through night into morning only by the spiel.
