Updated and expanded 2nd edition of the Amazon best-selling book: The Rookie's Guide to Options. Wolfinger teaches readers how to use the versatile, risk-reducing investing tool, the stock option. Step-by-step instructions on making, managing and exiting trades. The emphasis is on getting the reader to understand how options work. There are no rules to memorize, just plain common sense ideas. Wolfinger's unique approach has readers follow along as he makes trade decisions and manages risk. The lessons follow in logical order, with each based on knowledge acquired in earlier chapters. Seven basic option strategies are covered. Learn why the commonly used strategy of buying options for speculation is far too risky for all but the most sophisticated traders and why it is an inappropriate strategy for newcomers to the option's world. Learn to avoid strategies with limited risk but which come with a high probability of earning profits. His favorite strategies include covered call writing, selling cash-secured puts, collars, credit spreads, iron condors, diagonal spreads, and calendar spreads. Don't let the title fool you. This book contains all the information that a new trader has to know before getting started with options, but it also could be titled "The Rookie and Intermediate Trader's Guide to Options." You will keep this book handy as a reference as you gain trading experience and a better understanding of how to use options effectively.

Learn why stock options - a versatile investment tool that has seen explosive growth over the past few years - belong in your portfolio. If you're already trading options, this book is also for you. You will gain a thorough understanding of option pricing, function and equivalents, which will help you trade more effectively. Adopt more advanced option strategies, like iron condors and double diagonals, to help protect your nest egg and earn healthy returns. Includes chapter quizzes and accompanying CD-ROM.

Real Advice from a Real Investor If you are dreaming of getting started in the investing world to supplement your income or even kick your 9-to-5 job to the curb completely, then Options Trading: The Ultimate Beginner's Guide might be the answer you have been looking for. This book will help you learn everything you need to know in order to start making successful moves in the options market, even if you aren't quite sure what an option is at this moment. Simply put, options are like stocks or bonds in that they are a variety of security which, when purchased, give you the option of purchasing or selling a stock or another related asset at a specific price. While it might seem complicated now, the reality is that it is mostly about doing research and executing on a specific plan once certain numbers are met. While once only the domain of Wall Street, online options trading makes the process easier than ever. So, what are you waiting for? Stop dreaming and start acting. Inside You Will Find A complete breakdown on all option types Detailed explanations on exactly how options work An easy to follow step-by-step guide to walk you through your first options trade The best strategies for a beginner to achieve success The lingo of a professional options trader The easiest way to guarantee long term trading success Common mistakes beginners make and how to avoid them Much, much more! This is the definitive guide to get you started on trading options!

The sixth book in the Wrightbooks Made Simple series, Options Made Simple is an uncomplicated guide to trading options for beginners. This book outlines some simple, easy to understand strategies anyone can use to start trading options. The book will be a succinct paperback with lower price point, and provide the perfect first step into trading options. An option is a binding contract that gives the buyer the right, but not the obligation, to buy or sell an underlying asset at a specific price on or before a certain date. C it has strictly defined terms and properties. Options are very versatile and allow you to change your position according to the situation. C they can be speculative or conservative depending on your trading strategy, but the risk can be mitigated by having a firm basic understanding. The Made Simple series is the perfect vehicle for this content as readers are taken step@by@step through everything they need to know about trading options. C including what can go wrong! C and can work out which strategies they are most comfortable with.

Options Trading, Made Simple This is not your typical options trading book, plagued with jargon and written by Wall Street academics who are more concerned with showing off than with actually teaching you how to trade. In Options Trading For Beginners, ClydeBank Finance packages the wisdom of the Wall Street elite into a straight-forward and easy-to-read teaching tool. Options Trading For Beginners is ClydeBank Finance at its best, making complex ideas clear while endowing readers with a wealth of powerful new knowledge. Whether you're a newcomer to options trading or a grizzled veteran looking for a fresh take on basic strategy, you'll enjoy the plain-spoken style and colorful scenarios illustrated in Options Trading for Beginners. In addition to providing a solid beginner's course in options trading, Options Trading for Beginners walks you through a multitude of strategic trading decisions, showing you how a trader thinks and how he arrives at critical decisions. This book wasn't written for someone who wants to stay on the sidelines, but for the ambitious trader looking to become a formidable, sharp, and cunning options trader. You'll Learn: - The fundamentals of put and call options - How to understand and leverage intrinsic value - How to use a stock's IV (implied volatility) to inform smart trades - What you need to know about "The Greeks" - The mechanics of the short sell

Options Trading – Beginners Guide Financial independence is something we've all dreamed of at some point in our lives. Nevertheless, it's something most of us deem near to impossible. From a young age, we are taught how to be obedient workers and not really how to obtain that freedom in life. One way of taking charge is to learn the game of options trading. By becoming a master in this field, you can end up living life on your own terms faster than you ever thought possible. However, learning how to become financially independent through options trading can be extremely difficult without the right guidance. Luckily for you, the contents of this book have been curated to provide you with everything you need to know in order to get started off on the right foot.
