The BERSERK OFFICIAL GUIDEBOOK is an oddball mash-up of repetitive encyclopedic facts about the long-running Berserk manga series (e.g. a long-winded recap of how magic works in the universe, exhaustive character summary/"stat" sheets, and a general recap of the entire series' plot), genuinely interesting series-related tidbits for super-nerds (including an in-depth interview with Kentaro Miura, shots of his workspace, and character reference sheets), and filler/fluff pieces (like a summary of a

The first Berserk novel, conceived by series creator Kentaro Miura and written by Makoto Fukami, novelist and screenwriter for the Berserk anime, Psycho-Pass and Resident Evil: Vendetta. The Flame Dragon Knight also presents ten full-page illustrations by Kentaro Miura. The Flame Dragon Knight traces the rise of the warhammer-wielding warrior Grunbeld from humble beginnings to become the all-powerful Apostle who will one day face Guts in mortal combat! Featuring all the grisly supernatural action and sinister courtly intrigue Berserk readers have come to expect.

Deep within the nightmare realm of Casca's dreams, Schierke and Farnese battle endless horrors to reach the dark secret that has imprisoned Casca's mind for so long. But the

dreamworld dangers are no mere phantasms of the unconscious--they are a lethal reality to the intruders from the material world! From creator Kentaro Miura comes the latest chapter of Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime series.

From his days as a young mercenary to his time as captain of the Band of the Hawks' Raiders, Guts' life has been defined by his ability to fight and his will to win. Now cursed with the Brand of Sacrifice — a sigil that will forever mark him as prey for the damned — and with his companions dead, his lover's mind destroyed and his one-time commander and friend reborn as a malevolent demon lord, it seems that more than ever Guts must rely upon his instinct to survive. But Hell has many faces, and when what appears to be an innocent country village proves to be a den of tragic secrets, the horror of a fairy tale perverted by pain and hate may prove to be more than Guts can handle!

The once unbeatable Band of the Hawk is smashed, and their former leader, Griffith, has made an unholy pact with the demon lords of the Godhand, sacrificing his former troops to resurrect his crippled body and ascend to stand in power beside these profane gods. The Invocation of Doom has unleashed a plague of unspeakable horrors upon the earth, and the first battle not only shatters the Hawks, but the hand of their champion, Guts, and the mind of their captain and Guts' lover, Casca. And while time may heal some of Guts' wounds, it will not heal his desire for vengeance. And his discovery of a gigantic, dragon-slaying sword might be just the ticket to deal out some king-sized payback! Also included in this volume: "Berserk Prototype," the very first Berserk story, created during Kentaro Miura's college days as his audition that sold the series!

The world of Guts, the Black Swordsman, is changing in a hurry. Though a demonic maelstrom has leveled the dreaded Tower of Conviction and ended the reign of terror of its grand inquisitor, Mozgus, peace has not returned to Midland. The Tower's fall has heralded the unexpected return of Griffith, Guts former leader, last seen transformed from a shattered husk into one of the demon lords of the Godhand. but Griffith looks like his old self again — and with his dreams of carving out a kingdom by his own hand still intact. He's raising a new Band of the Hawk, but this time he's recruiting from the dark side to fulfill his deadly destiny!

Created by Kentaro Miura, Berserk is manga mayhem to the extreme - violent, horrifying, and mercilessly funny - and the wellspring for the internationally popular anime series. Not for the squeamish or the easily offended, Berserk asks for no quarter - and offers none! His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Accompanied by Puck the Elf, more an annoyance than a companion, Guts relentlessly follows a dark, bloodstained path that leads only to death...or vengeance.
