domestic concerns have a strong hold on the working-class and lower-middle-class imaginative output of this period.

The short story was a commercial phenomenon which took off in the late nineteenth century and lasted through to the rise of television and film. Baldwin uses a wide variety of sources to show how economic factors helped to dictate how and what a wide variety of authors wrote.

This scholarly study of the formation of the Irish literary canon in the first half of the twentieth century provides fascinating and often surprising insights into the ways in which different educational institutions responded to the political and historical changes taking place as Ireland moved from colonial to postcolonial status. Dr Wei
