Netflix’s BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show’s cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/ showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt’s inimitable aesthetic vision, The Art Before the Horse goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: BoJack Horseman 2019 Wall Calendar (ISBN: 978-1-4197-3177-8)

Created by indie comics artist Jhonen Vasquez, Invader Zim tells the story of extraterrestrial outcast Zim, from the planet Irk. With the assistance of his malfunctioning robot GIR, Zim repeatedly tries (and fails) to execute his dastardly plan to conquer Earth, all while masquerading as an average elementary school student. DOOM DOOM DOOM: The Art of Invader Zim is the definitive history of both the fan-favorite series and the upcoming Invader Zim television movie Enter the Florpus, airing in spring 2019. A fully authorized, all-access compendium of never-before-published production art, storyboards, behind-the-scenes photos, and ephemera, the book will feature exclusive, interviews with Vasquez and other key crewmembers that reveal the origins, art, and imagination behind one of Nickelodeon’s most beloved turn-of-the-millennium series.

NEW YORK TIMES BESTSELLER • From the creator and star of Hamilton and In the Heights, with beautiful illustrations by Jonny Sun, comes a book of affirmations to inspire readers at the beginning and end of each day. “When the world is bringing you down, Gmorning, Gnight! will remind you that you are awesome.”—Booklist Good morning. Do NOT get stuck in the comments section of life today. Make, do, create the things. Let others tussle it out. Vamos! Before he inspired the world with Hamilton and was catapulted to international fame, Lin-Manuel Miranda was inspiring his Twitter followers with words of encouragement at the beginning and end of each day. He wrote these original sayings, aphorisms, and poetry for himself as much as for others. But as Miranda’s audience grew, these messages took on a life on their own. Now Miranda has gathered the best of his daily greetings into a beautiful collection illustrated by acclaimed artist (and fellow Twitter favorite) Jonny Sun. Full of comfort and motivation, Gmorning, Gnight! is a touchstone for anyone who needs a quick lift.

FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE “A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving.” —New York Times Book Review, Editors' Choice “Wow. I can’t remember the last time I laughed so much reading a book. What an inventive and startling writer...I’m so glad I read this. I really think this book is remarkable.” —David Sedaris From “a formidably gifted writer” (The New York Times Book Review), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms “the portal,” where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats—from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness—begin to loom, she posts her way deeper into the portal’s void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. “Are we in hell?” the people of the portal ask themselves. “Are we all just going to keep doing this until we die?” Suddenly, two texts from her mother pierce the fray: “Something has gone wrong,” and “How soon can you get here?” As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, No One Is Talking About This is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR NAMED ONE OF THE 50 BEST MEMOIRS OF THE PAST 50 YEARS BY THE NEW YORK TIMES SELECTED AS A BEST BOOK OF THE YEAR BY: The Washington Post * Elle * NPR * New York Magazine * Boston Globe * Nylon * Slate * The Cut * The New Yorker * Chicago Tribune WINNER OF THE THURBER PRIZE FOR AMERICAN HUMOR “Affectionate and very funny . . . wonderfully grounded and authentic. This book proves Lockwood to be a formidably gifted writer who can do pretty much anything she pleases.” — The New York Times Book Review From Booker Prize finalist Patricia Lockwood, author of the novel No One Is Talking About This, a vivid, heartbreakingly funny memoir about balancing identity with family and tradition. Father Greg Lockwood is unlike any Catholic priest you have ever met—a man who lounges in boxer shorts, loves action movies, and whose constant jamming on the guitar reverberates “like a whole band dying in a plane crash in 1972.” His daughter is an irreverent poet who long ago left the Church’s country. When an unexpected crisis leads her and her husband to move back into her parents’ rectory, their two worlds collide. In Priestdaddy, Lockwood interweaves emblematic moments from her childhood and adolescence—from an ill-fated family hunting trip and an abortion clinic sit-in where her father was arrested to her involvement in a cultlike Catholic youth group—with scenes that chronicle the eight-month adventure she and her husband had in her parents’ household after a decade of living on their own. Lockwood details her education of a seminarian who is also living at the rectory, tries to explain Catholicism to her husband, who is mystified by its bloodthirstiness and arcane laws, and encounters a mysterious substance on a hotel bed with her mother. Lockwood pivots from the raunchy to the sublime, from the comic to the deeply serious, exploring issues of belief, belonging, and personhood. Priestdaddy is an entertaining, unforgettable portrait of a deeply odd religious upbringing, and how one balances a hard-won identity with the weight of family and tradition.

Steven Universe: Art & Origins is the first book to take fans behind the scenes of the groundbreaking and boundlessly creative Cartoon Network animated series Steven Universe. The eponymous Steven is a boy who—alongside his mentors, the Crystal Gems (Garnet, Amethyst, and Pearl)—must learn to use his inherited powers to protect his home, Beach City, from the forces of evil. Bursting with concept art, production samples, early sketches, storyboards, and exclusive commentary, this lavishly illustrated companion book offers a meticulous written and visual history of the show, as well as an all-access tour of the creative team’s process. Steven Universe: Art & Origins reveals how creator Rebecca Sugar, the writers, the animators, and the voice actors work in tandem to bring this adventure-packed television series to life.

Speed, power, and head-turning looks—there’s no mistaking a supercar! In this 16-month wall calendar, G. F. Williams’ superb photography captures the greatest high-performance offerings. From classics like the Jaguar XJ220 and Ferrari 250 to today’s stunning Bugatti, Pagani, and McLaren hypercars, Supercars 2022 features top makes and models from around the world. This 12”x12” wall calendar includes a convenient page that shows the months of September, October, November, and December 2021, followed by individual pages for the months of 2022. Supercars 2022 belongs on the wall of any fan of these super high-performance machines.

Winner of the Alex Award “Mike Muñoz Is a Holden Caulfield for a New Millennium—a ‘10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation’ . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America.” --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he’s smart enough to know that he’s got to be the one to shake things up if he’s ever going to change his life. But how? He’s not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what’s next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

The official sequel to the bestselling Steven Universe: Art & Origins Steven Universe: End of an Era is the eagerly anticipated follow-up to the bestselling behind-the-scenes companion book Steven Universe: Art & Origins. Showcasing new concept art, storyboards, background paintings, and exclusive interviews, End of an Era will update the history of the Emmy Award–winning series to cover season four through to the critically acclaimed i–?nale, “Change Your Mind,” and beyond. Fans can expect a special focus on creator and showrunner Rebecca Sugar’s elaborate process for creating the lore for the series, as she and the crew reveal how they discovered and developed the complete story arc for each character, as well as how they were able to design a show that so refreshingly captures and celebrates the experience of childhood. Steven Universe: End of an Era is a heartfelt send-off to one of the most progressive, imaginative, and beloved animated series of our time.

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.
