Mit "Born of Darkness" startet Lara Adrian einen SpinOff zu ihrer Midnight Breed Serie, in der es um die geheimnisvollen Gen One - Krieger geht, die der Verrückte Dragos gezüchtet und zu seelenlosen Killern abgerichtet hat. Die Idee hat mich fasziniert, seit der erste Hunter - zunächst als Nebenfigur - in der Serie aufgetaucht ist.

Now, twenty years after his escape from those hellish origins, Asher is a loner whose heart is as cold as his skills are merciless. But when he thwarts a killing under way in the middle of the desert outside Las Vegas, Asher meets a beautiful woman who draws him into a deadly game against powerful enemies—one that will test both his skills and his tarnished honor.Naomi Fallon is used to getting out of dicey situations. Naomi's never needed anyone's help, least of all one of the Breed. But after one risk too many, only a man with Asher's skills can keep her safe. Command Assassin Nykyrian Quiakides tries to protect Kiara Zamir, whose father's political alliances have made her a target, while he is hunted by the League, a group of expert assassins who are the backbone of the government.

I am their love, their life: Inamorata. But that doesn't mean the rest of the vampire race will accept me as one of their own. They'd rather see me bleed. This prophecy is becoming a real pain in the ass. My mother was murdered because of it. My hive of four gorgeous vampires has cheated death more than once trying to protect me. As for me, I'm just doing the best I can to survive while juggling a sadistic cult who wants me dead—which just happens to be led by my lover's ex-wife—an old book proclaiming that I'm the key to killing all vampires where they stand, and four immortal mates bound to me with a connection so strong it's more like an addiction. But with time running out and powerful vampires getting closer to succeeding in their deadly mission to kill us all, our powers may not be sufficient—we may need another specialist. But that means I have to invite him into our hive and possess him as I have the others. One thing's for sure: When you want a job done right, sometimes it takes a hunter. Like Laurell K. Hamilton? You'll love Born of Darkness. The Born of Darkness series is high heat reverse harem paranormal romance with a badass female hunter-witch hybrid, her five fated alpha vampire mates, and come-hither MFMMMM scenes. Why choose? ***

Jayne Erixour believes she knows everything about the universe. As a bounty hunter and assassin, she's seen the worst dregs of humanity and every sentient species ever spat out of a hell realm. To her, there is no truth outside of her blaster's recoil and her resolve to let no one get too close. Hadrian Scalera is on the run from the same brutal assassins who slaughtered every member of his family, both birth and foster. He has no refuge and no one he dares to call friend, as it will mean the end of them. He expects no mercy from anyone, until the day one assassin hesitates to pull the trigger. An assassin's code is simple: Kill or be killed. No prey, no pay. Every life has a price. If Jayne doesn't fulfill her contract and kill Hadrian, she'll be the next target on the League's menu. But as old enemies return to hunt them both, they quickly learn that neither will survive unless they can learn to trust each other. Yet things are never so simple and survival means only one of them can be left standing . . .

Fate. Blood. Blades. Only one can come out victorious. What happens when you mix a hunter witch with a half-vamp? Me. And I'm as shocked as anyone. So, it turns out the prophecy is true—I'm the key to destroying the vampire race, at least if you believe some old book. But the last part of the prophecy says we're all dead if we stick together. And that's not something I can accept. The only way to end this once and for all is to find the vampire who shares my bloodline, the one who helped my mother hex me as a child—who turned me into the hunter-witch-vampire halfbreed that can take down vampires as a whole. But finding my father is easier said than done—it seems he's an expert at both dark magic and staying hidden. Figures. It doesn't help that every vampire on the planet is after us. I can't escape fate, but love is stronger than blood. And I'm a hunter—I won't let the vampires I love go down without a fight.
