specific subject or theme; Exposing the student to authentic materials and exploring aspects of Israeli and Jewish culture through language drills and reading passages"--

An accessible introduction to the Hebrew language

Modern Hebrew for Intermediate Students—which is now revised and updated—and Modern Hebrew for Beginners are the core of a multimedia program for the college-level Hebrew classroom developed at the University of Texas at Austin in the early 2000s. Within an intensive framework of instruction that assumes six weekly hours in the classroom, the program provides for two semesters of instruction, at the end of which most successful

students will reach the intermediate-mid or intermediate-high levels of proficiency in speaking and reading, and some will reach advanced-low proficiency, as defined by the American Council on the Teaching of Foreign Languages (ACTFL). In addition to a variety of written exercises, the workbook includes vocabulary lists, reading selections, discussions of cultural topics, illustrations of grammar points, notes on registers, suggestions for class and individual activities, and glossaries. The workbook is complemented by a website (<http://www.laits.utexas.edu/hebrew>) that provides short video segments originally scripted and filmed in Israel and the United States, vocabulary flashcards with sound, interactive exercises on topics included in the

workbook, sound files parallel to the reading selections in the workbook, and additional materials that enhance the learning experience. The stability of the workbook, combined with the dynamic nature of the website and the internet searches the students are directed to conduct, allows language instructors to reshape the curriculum and adapt it to the needs of their students and the goals of their programs.

About St. Thomas Aquinas, Pope John XXII said: “ A man can derive more profit in a year from his books than from pondering all his life the teaching of others. ” And Pope Pius XI added: “ We now say to all who are desirous of the truth: ‘ Go to St. Thomas. ’ ” But when we do go to Thomas – when we open his massive

Summa Theologica or another of his works – we ’ re quickly overwhelmed, even lost. If we find him hard to read, how can we even begin to “ think like Aquinas? ” Now comes Kevin Vost — the best-selling author of The One-Minute Aquinas — armed with a recently rediscovered letter St. Thomas himself wrote – a brief letter to young novice monk giving practical, sage advice about how to study, how to think, and even how to live. In this letter written almost 800 years ago, St. Thomas reveals his unique powers of intellect and will, and explains how anyone can fathom and explain even the loftiest truths. Vost and St. Thomas will teach you how to dissect logical fallacies, heresies, and half-truths that continue to pollute our world with muddy thinking. Best of all, you ’ ll

Thomas. ” Over the centuries, dozens of other popes have praised him. Surely it is time to listen to these good men, time to “ go to Thomas, ” to learn to think like him, and, yes, even to live like him.

Written by the core faculty of the Hebrew Program at Brandeis University, Brandeis Modern Hebrew is an accessible introduction to the Hebrew language especially geared to undergraduates and high school students. Its functional and contextual elements are designed to bring students from the beginner level to the intermediate level, and to lay the ground work for progressing to the advanced level by introducing the past and future tenses and literary texts to read. This pilot edition reflects some of the main principles

that have shaped the Brandeis Hebrew curriculum during the past decade. in all four skills areas: speaking, listening, reading, and writing; contextualizing each unit within a specific subject or theme; exposing the student to authentic and semi-authentic materials (texts written by native speakers); exploring different elements from Israeli and Jewish culture in the language drills, and reading passages from the Hebrew literary canon. The text in this edition comprises a short introduction for the instructor, eleven units, supplementary Hebrew proficiency guidelines, and a vocabulary list. Two CDs are forthcoming. One is an audio CD of some of the exercises in the book. The second CD is an enrichment program linked to the text.

Gardening YouTube sensation Huw Richards shows how to inexpensively grow year-round vegetables from just one raised bed. Keyed to a temperate coastal climate but adaptable to variations in temperature and rainfall, Huw's clear, practical advice will help you produce a bountiful harvest with minimal space and effort. In just one raised bed, green thumb wunderkind Huw Richards shows you how to grow vegetables easily, organically, abundantly, and inexpensively so you have something to harvest every month of the year. Month by month, discover what you need to do and how to do it. Try it in your yard, a small garden, or even on a roof terrace. Everything is explained in clear, photographed steps: building your bed, growing from seed,

planting, feeding, and harvesting

Huw shows how to guarantee early success by starting off young plants on a windowsill. He suggests what to grow in each part of the bed and provides alternative vegetables to swap in or out depending on what you like eating. No-dig gardening methods remove most of the back-breaking work, too. Veg in One Bed goes beyond the inspiring demonstrations on his YouTube channel Huw's Nursery. In this book, he organizes all of his ideas and suggestions into a blueprint for growing your own vegetables month by month. Very little growing experience? Only a small space? No matter--with Veg in One Bed, you can still eat food you have grown throughout the year.

A fascinating analysis of the story of Eve, using modern poetry in conversation with biblical texts and rabbinic rewritings to reveal new layers of meaning

Over the past two decades, profound changes in Israel opened its society to powerful outside forces and the dominance of global capitalism. As a result, the centrality of Zionism as an organizing ideology waned, prompting expressions of anxiety in Israel about the coming of a post-Zionist age. The fears about the end of Zionism were quelled, however, by the Palestinian uprising in 2000, which spurred at least a partial return to more traditional perceptions of homeland. Looking at Israeli literature of the late twentieth century, Yaron Peleg shows how a

young, urban class of Israelis felt alienated from the Zionist values of their forebears, and how they adopted a form of escapist romanticism as a defiant response that replaced traditional nationalism. One of the first books in English to identify the end of the post-Zionist era through inspired readings of Hebrew literature and popular media, *Israeli Culture between the Two Intifadas* examines Israel's ambivalent relationship with Jewish nationalism at the end of the twentieth century.

This third edition of *Modern Hebrew: An Essential Grammar* is an up-to-date and practical reference guide to the most important aspects of modern Hebrew, as used by contemporary native speakers of the language. Presenting an accessible

description of the language, this user-friendly text focuses on the real patterns of use today. A reference source for the learner and user of Hebrew irrespective of level, it sets out the complexities of the language in short, readable sections that are clear and free from jargon. Features of this updated edition include: * expanded coverage of nouns, verbs and adjectives * more examples throughout * a full exercise key * a glossary of grammatical terms. Well presented and easy to use, Modern Hebrew: An Essential Grammar is ideal either for independent study or for students in schools, colleges, universities and adult education.

This book presents the role of ideology in language contact situations and the scope of its
