In "Brief Interviews with Hideous Men," Sara (Julianne Nicholson), a graduate student, interviews various men about their sex lives for her thesis, even secretly taping a couple of them...

~~Brief Interviews with Hideous Men (2009)~~ ~~Rotten Tomatoes~~

The way that the Hideous Men speak in each of the interviews is quite natural and sounds true from the stories that I've heard many guys tell w/r/t women, sexual encounters etc. And it is A Brief Word on the Famous Interview #20

~~Brief Interviews with Hideous Men by David Foster Wallace~~

After being abruptly dumped by her boyfriend, a graduate student (Julianne Nicholson of LAW & ORDER: CRIMINAL INTENT) decides to interview a series of men about their reasons for behaving badly. What follows is an intimate portrait of the male species at their best, worst and most hilariously complex, confessing their desires, failures, frustrations and resentments.

Brief Interviews With Hideous Men HD Movie Trailer

In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises. Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.

In his startling and singular new short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Among the stories are 'The Depressed Person', a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World', which reveals a woman's agonised consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men', a dark, hilarious series of portraits of men whose fear of women renders them grotesque. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many different guises. Thought-provoking and playful, this collection confirms David Foster Wallace as one of the most imaginative young writers around. Wallace delights in leftfield observation, mining the ironic, the surprising and the illuminating from every situation. His new collection will delight his growing number of fans, and provide a perfect introduction for new readers.

Collection of interviews that profiles Wallace's career of twenty years, from 1987 until his suicide in 2008, that provides insight into his development as a writer and complicated persona.

Where do you begin with a writer as original and brilliant as David Foster Wallace? Here -- with a carefully considered selection of his extraordinary body of work, chosen by a range of great writers, critics, and those who worked with him most closely. This volume presents his most dazzling, funniest, and most heartbreaking work -- essays like his famous cruise-ship piece, "A Supposedly Fun Thing I'll Never Do Again," excerpts from his novels *The Broom of the System*, *Infinite Jest*, and *The Pale King*, and legendary stories like "The Depressed Person." Wallace's explorations of morality, self-consciousness, addiction, sports, love, and the many other subjects that occupied him are represented here in both fiction and nonfiction. Collected for the first time are Wallace's first published story, "The View from Planet Trillaphon as Seen In Relation to the Bad Thing" and a selection of his work as a writing instructor, including reading lists, grammar guides, and general guidelines for his students. A dozen writers and critics, including Hari Kunzru, Anne Fadiman, and Nam Le, add afterwords to favorite pieces, expanding our appreciation of the unique pleasures of Wallace's writing. The result is an astonishing volume that shows the breadth and range of "one of America's most daring and talented writers" (Los Angeles Times Book Review) whose work was full of humor, insight, and beauty.

In the stories that make up *Oblivion*, David Foster Wallace joins the rawest, most naked humanity with the infinite involutions of self-consciousness -- a combination that is dazzlingly, uniquely his. These are worlds undreamt of by any other mind. Only David Foster Wallace could convey a father's desperate loneliness by way of his son's daydreaming through a teacher's homicidal breakdown (*The Soul Is Not a Smithy*). Or could explore the deepest and most hilarious aspects of creativity by delineating the office politics surrounding a magazine profile of an artist who produces miniature sculptures in an anatomically inconceivable way (*The Suffering Channel*). Or capture the ache of love's breakdown in the painfully polite apologies of a man who believes his wife is hallucinating the sound of his snoring (*Oblivion*). Each of these stories is a complete world, as fully imagined as most entire novels, at once preposterously surreal and painfully immediate.

A collection of 23 stories, several of which deal with misunderstandings between men and women. In one, a man assumes that women find his mutilated arm sexy, in another a wife is inhibited in her lovemaking by fear that her husband will think she is a slut.

Since its publication in 2003, *Understanding David Foster Wallace* has served as an accessible introduction to the rich array of themes and formal innovations that have made Wallace's fiction so popular and influential. A seminal text in the burgeoning field of David Foster Wallace studies, the original edition of *Understanding David Foster Wallace* was nevertheless incomplete as it addressed only his first four works of fiction--namely the novels *The Broom of the System* and *Infinite Jest* and the story collections *Girl with Curious Hair* and *Brief Interviews with Hideous Men*. This revised edition adds two new chapters covering his final story collection, *Oblivion*, and his posthumous novel, *The Pale King*. Tracing Wallace's relationship to modernism and postmodernism, this volume provides close readings of all his major works of fiction. Although critics sometimes label Wallace a postmodern writer, Boswell argues that he should be regarded as the nervous leader of some still-unnamed (and perhaps unnamable) third wave of modernism. In charting a new direction for literary practice, Wallace does not seek to overturn postmodernism, nor does he call for a return to modernism. Rather his work moves resolutely forward while hoisting the baggage of modernism and postmodernism heavily, but respectfully, on its back. Like the books that serve as its primary subject, Boswell's study directly confronts such arcane issues as postmodernism, information theory, semiotics, the philosophy of Ludwig Wittgenstein, and poststructuralism, yet it does so in a way that is comprehensible to a wide and general readership--the very same readership that has enthusiastically embraced Wallace's challenging yet entertaining and redemptive fiction.

In this exuberantly praised book - a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner - David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling *Infinite Jest*.
