Excellence In
The Workplace

takes to be a true professional in the modern world. By common definition, a professional is anyone who possesses the skills and knowledge necessary for a career-whether as a surgeon, a software engineer, or a plumber. But according to Subroto Bagchi, our increasingly global marketplace demands more. In a

Read Online Business And

Professional Excellence in The Workplace

world where the foolish, selfish, and unethical decisions of a few have affected the lives of millions, The Professional urges readers to act responsibly and reexamine "business as usual". By exploring a variety of professional dilemmas across many industries, Bagchi defines the qualities of true professionals and the

Read Online Business And

attributes that separate them from the merely competent. These include: *Suffer no false attractions: It's always tempting to take the path of least resistance, but true professionals can separate the genuine from the phony. *Know when to say no: True professionals are not afraid to say no to things that are not worth their

Read Online Business And

time, their energy, or their creativity. *Take the long view: True professionals understand that every action, decision, and relationship, no matter how small, can have a lasting impact.
