dynamics, regulation, economics, technology, valuations, case studies, trends (Indian and global) and a clear sense of how the business operates. This book is a must-read for media professionals, students and for those planning to invest in the Indian media and entertainment business. The outstanding feature of the fourth edition is a new chapter on digital media—arguably, the first ever look at digital media from a comprehensive business perspective. This looks at everything from history to business dynamics and the major issues digital media faces in India. This edition tackles

regulation with more detail than any of the previous ones. There is one large case study on the quality of regulation in India and several caselets such as the ones on copyright law, defamation law and how it works for social media. This edition also contains more caselets than the previous editions. There are caselets on the changes in readership methodology, on the trouble with news broadcasting and on the rising power of Hindi newspapers and the impact of digital on both print and TV among others.

This is one of the many inspiring books from the renowned “Motivator” Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable
