~~J. Randy Taraborrelli—Wikipedia~~

What's sad is that Taraborrelli spends so much time depicting Ross as "the bitch of all time" that much of what makes her a megastar is not even touched upon. Probably more than anything, he should have given some account of how Ross came out on top in a business dominated by men. Call Her Miss Ross , we surely do; but she deserves better.

The bombshell study further calls into question how necessary the second lockdown really was, as an r-rate below 1 show the number of coronavirus infections are already falling on their own.

An account of the life of the Motown superstar, based on interviews with family, friends, and colleagues, recounts her public triumphs and private failures

Profiles the legendary icon, temperamental superstar, Civil Rights trailblazer, and mother, delving into all aspects of her life, including her family, her romances, and her career.

Andrew Morton uncovers the true story of the biggest celebrity of our age. Everyone knows Tom Cruise—or at least what he wants us to know. We know that the man behind the smile overcame a tough childhood to star in astonishing array of blockbusters: Top Gun, Rain Man, Born on the Fourth of July, A Few Good Men, Jerry Maguire, several Mission: Impossible movies, and more. We know he has taken artistic chances, too, earning him three Academy Award and Golden Globe nominations. But beyond that, the picture becomes a bit less clear... We know that Tom is a devoted follower of the Church of Scientology. We know that, despite persistent rumors about his sexuality, he has been married to Mimi Rogers, Nicole Kidman, and Katie Holmes. But it was not until he jumped on Oprah's couch to proclaim his love for Katie and denounced Brooke Shields for turning to the "Nazi science" of psychiatry that we began to realize how much we did not know about the charming, hardworking star. For all the headlines and the rumors, the real Tom Cruise has remained surprisingly hidden—until now.

Stop in the name of love ... and of Motown, and read Tony Turner's dazzling insider's story -- updated with new material for the blockbuster 2000 Supremes tour!

Diana Ross was raised in the Detroit projects and, through hard work and determination, scaled the heights of superstardom, first as lead singer of the Supremes and then as a solo artist. To this day she remains the grand diva against which all others in showbusiness are measured. This acclaimed biography reveals stunning new details about her combative relationship with the other Supremes, her passionate romance with Berry Gordy, president of Motown, which produced her very own 'love child', her two marriages and divorces, her recent arrest for drunk driving and her inspiring recovery. Drawing on hundreds of interviews, Taraborrelli paints an unforgettable picture of an extraordinary star. Diana is a Civil Rights trailblazer, a temperamental celebrity, a consummate entertainer, a loving mother. There is only one Diana Ross. And this is her story. 'For this admirably balanced, nuanced and respectful - yes respectful - examination of her life, Diana Ross should be grateful to J. Randy Taraborrelli. His credentials are excellent, as is the source of his cumulative labours . . . grips to the very last page' Sunday Times

Madonna! Megastar. Lover. Mother. Opportunist. Chameleon. Role model. She's all of these things...and more. Yet, who is she, really? In Madonna: An Intimate Biography, author J. Randy Taraborrelli's scrupulously researched and completely balanced unauthorized biography of one of the world's most celebrated entertainers, the reader is allowed to draw his or her own conclusions. Indeed, the portrait bestselling author Taraborrelli paints here is of a truly complex woman, one who is driven and determined to succeed at any cost, yet who displays remarkable vulnerability when it comes to matters of the heart. It is significant that Madonna: An Intimate Biography is the first such book written about the star in over a decade, because in the past ten years the ever-changing Madonna has gone through her biggest transformation yet -- from tempestuous sex goddess to happily married mother. Amazingly, as she launches her first worldwide tour in eight years, she is now -- at forty-something -- enjoying one of the most successful periods of her groundbreaking career. Whereas other books about Madonna have been based on previously published material, Madonna: An Intimate Biography is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time, including close friends, business associates and even family members. Since Taraborrelli interviewed the star herself early in her career, he is now able to draw from such firsthand experiences to place her success story in perspective and provide new, stunning insights. The true Madonna, as presented here, is not merely a sensation-seeking tabloid vixen, but a flesh-and-blood woman with human foibles and weaknesses -- as well as great strengths and ambitions. For the first time, the reader learns about the complex nature of her difficult relationship with her father, and how the two finally found one another after years of estrangement; how Warren Beatty broke her heart, and why the two never wed; how she and John Kennedy, Jr., became romantically involved, his mother's reaction to the prospect of Madonna as a daughter-in-law and why it could never have worked out; the truth of her relationships with the fathers of her two children and how, as a loving and attentive mother, she has evolved into a surprisingly different woman...and what the future holds for her. Madonna: An Intimate

Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular, trendsetting figures of our time. Full of amazing disclosures about her private life and public career, New York Times bestselling author J. Randy Taraborrelli's latest work reveals Madonna in a new -- and surprisingly inspiring -- way. Not only a feast for fans, this book is great entertainment for anyone who enjoys a remarkable story, stirringly told.

This autobiography recounts the story of the three girls--Mary Wilson, Florence Ballard, and Diana Ross--who built the musical legacy, the Supremes

The follow-up to Ann B. Ross's beloved debut that kicked off the New York Times bestselling series. Look out for Ann Ross's newest, Miss Julia Raises the Roof, coming April 2018 from Viking. When Miss Julia burst on the scene in her fictional debut, Miss Julia Speaks Her Mind, this proper lady of a certain age found her orderly world turned upside down when Hazel Marie Puckett appeared with her nine-year-old son, Little Lloyd, who looked disturbingly similar to Miss Julia's late husband. Now, in Miss Julia Takes Over, with her sharp tongue and iron backbone intact, Miss Julia must tackle another disruption when Hazel Marie doesn't return from a dinner date with a fund-raiser who, in Miss Julia's opinion, wears his shorts too tight. Frantic and unable to persuade the local police that Hazel Marie is in danger, Miss Julia hires J. D. Pickens to investigate, despite her reservations about his taste for beer and women. She and Little Lloyd help search for Hazel Marie, running into adventures ranging from a most indelicate display of fisticuffs to a high-speed car chase on the track of a NASCAR Speedway, all the while standing strong ...because if Miss Julia doesn't take care of things, who will? Fast paced, funny, and full of colorful characters you'll want to meet again and again, Miss Julia Takes Over is a zany race through the South you'll not soon forget.

Miss Julia, a recently bereaved and newly wealthy widow, is only slightly bemused when one Hazel Marie Puckett appears at her door with a youngster in tow and unceremoniously announces that the child is the bastard son of Miss Julia's late husband. Suddenly, this longtime church member and pillar of her small Southern community finds herself in the center of an unseemly scandal-and the guardian of a wan nine-year-old whose mere presence turns her life upside down. With razor-sharp wit and perfect "Steel Magnolia" poise, Miss Julia speaks her mind indeed-about a robbery, a kidnapping, and the other disgraceful events precipitated by her husband's death. Fast-paced and charming, with a sure sense of comic drama, a cast of crazy characters, and a strong Southern cadence, Miss Julia Speaks Her Mind will delight readers from first page to last.

From 16-year-old go-go dancer to film star in Silkwood and Mask, here is the uncensored story of Cherilyn Sarkisian. Packed with dozens of never-before-told stories and photos spanning her entire career.
