Call Me By Your Name

CALL ME BY YOUR NAME, the new film by Luca Guadagnino, is a sensual and transcendent tale of first love, based on the acclaimed novel by André Aciman.

---

Call Me by Your Name (2017) - IMDb

Sun drenched and hazy like a dream to pass along the summertime, Call Me By Your Name is a quietly romantic and gorgeous film, full of aching melancholy and subtle storytelling. It is a quiet and...

---

Call Me by Your Name (2018) - Rotten Tomatoes

The power of "Call me by your name" really lies in its simplicity. For a film with a 2+ hour running time, there is relatively little happening as far as plot advancement goes. A story-line is not non-existent, so much as it is irrelevant.

## Where To Download Call Me By Your Name

Call Me by Your Name is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliff-side mansion on the Italian Riviera. Unprepared for the consequences of their attraction, at first each feigns indifference. But during the restless summer weeks that follow, unrelenting buried currents of obsession and fear, fascination and desire, intensify their passion as they test the charged ground between them. What grows from the depths of their spirits is a romance of scarcely six weeks' duration and an experience that marks them for a lifetime. For what the two discover on the Riviera and during a sultry evening in Rome is the one thing both already fear they may never truly find again: total intimacy. The psychological maneuvers that accompany attraction have seldom been more shrewdly captured than in André Aciman's frank, unsentimental, heartrending elegy to human passion. Call Me by Your Name is clear-eyed, bare-knuckled, and ultimately unforgettable.

The sudden and powerful attraction between a teenage boy and a summer guest at his parents' house on the Italian Riviera has a profound and lasting influence that will mark them both for a lifetime, in a novel of obsession, passion, fear, and desire. By the author of False Papers.

The film tie-in edition to the already highly acclaimed Luca Guadagnino-directed film of one of the great love stories of our time.

Elio believes he has left behind his first love - but as an affair with an older man intensifies, his thoughts turn to the past and to Oliver. Oliver, a college professor, husband and father, is preparing to leave New York. The imminent trip stirs up longing and regret, awakening an old desire and propelling him towards a decision that could change everything. In Call Me By Your Name, we fell in love with Oliver and Elio. Find Me returns to these unforgettable characters, exploring how love can ripple out from the past and into the future.

Call Me By Your Name is a profound movie about first love, desire, heartbreak, and self acceptance. Inspired by the thousands of members of the Call Me By Your Name Global Facebook Group and the hundreds of postings on the Call Me By Your Name Support Group on Twitter, I asked people from around the world how this film changed their lives. Here are their poignant stories. Profits from this paperback go to The Trevor Project, the leading national organization focused on crisis and suicide prevention efforts among LGBT youth.

A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller Call Me by Your Name revisits its complex and beguiling characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman's haunting Call Me by Your Name. First published in 2007, it was hailed as "a love letter, an invocation . . . an exceptionally beautiful book" (Stacey D'Erasmus, The New York Times Book Review). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In Find Me, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. Find Me brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.

Essays on memory by the author of Our of Egypt "We remember not because we have something we wish to go back to, nor because memories are all we have. We remember because memory is our most intimate, most familiar gesture. Most people are convinced I love Alexandria. In truth, I love remembering Alexandria. For it is not Alexandria that is beautiful. Remembering is beautiful." Celebrated as one of the most poignant stylists of his generation, André Aciman has written a witty, surprising series of linked essays that ponder the experience of loss, moving from his forced departure from Alexandria as a teenager, through his brief stay in Europe, and finally to the home he's made (and half invented) on Manhattan's Upper West Side.

A passionate portrait of love's contradictory power, in five illuminating stories Andre Aciman, who has been called "the most exciting new fiction writer of the twenty-first century" (New York Magazine), has written a novel in Enigma Variations that charts the life of Paul whose loves remain as consuming and covetous throughout adulthood as they were in adolescence. Whether in southern Italy, where as a boy he has a crush on his parents' cabinet maker, or on a snowbound campus in New England, where his enduring passion for a girl he'll meet again and again over the years is punctuated by anonymous encounters with men; on a tennis court in Central Park, or a sidewalk in early spring New York, his attachments are ungraspable, transient and forever underwritten by raw desire—not for just one person's body but, inevitably, for someone else's as well. In mapping the most inscrutable corners of desire, Aciman proves to be an unsparing reader of the human psyche and a master stylist of contemporary literature. With language at once lyrical, bare-knuckled, and unabashedly candid, he casts a sensuous, shimmering light over each facet of desire to probe how we ache, want, and waver, and ultimately how we sometimes falter and let go of those who may want only to offer what we crave from them. Behind every step the hero takes, his hopes, denials, fears, and regrets are always ready to lay their traps. Yet the dream of love

always casts its luminous halo. We may not always know what we want. We may remain enigmas to ourselves and others. But sooner or later we discover who we've always known we were.
