Comprehensive climbing approach, route guides to Washington's Cascades.

The long-awaited revision of Fred Beckey's comprehensive and indispensable climbing guide is here at last. The first volume in the classic Cascade Alpine Guide series, Columbia River to Stevens Pass features expert information on more than 300 climbing and high routes, including Mount Rainier. Here you'll find geographical, historical, and geological overviews of the majestic North Cascades region, plus important tips on safety and backcountry usage and enough technical and grade information to make clear exactly what type of route you are embarking upon. The new, third edition is thoroughly revised and updated with new maps and photos, plus all the most recent resource materials. Without a doubt, this exhaustive resource should be a staple in every serious mountaineer's collection.

The godfather of North Cascades climbing updates the third of his seminal guides to this wild range. Included are 10 new topos, updated maps, over 100 photographs (75 with route overlays), route information and driving directions.Hikers, scramblers, serious climbers and Northwest rescue organizations, alike, have relied on Fred Beckey's Cascade Alpine Guides for decades to lead them through this wild mountain range. In addition to their comprehensiveness, the books provide a rare combination of aerial photos with route overlays, three-dimensional illustrated maps and climbing topos.The section of the North Cascades covered in this volume is roughly a pie-shaped area bounded by Hwy 97 and the Columbia River to the east, Lake Chelan to the west, and Hwy 20 to the north. Except for glaciers and some year-round snow fields, it's mostly dry, lonesome, open country, with beautiful granite spires jutting to the sky.

* Cascades climbing routes -- the guidebooks relied on for more than 25 years * Northwest climbing legend Fred Beckey has summited and explored hundreds of Cascade peaks * Hand-drawn maps and photos with route overlays, as well as approach information Volume II in the classic Cascade Alpine Guide series features expert information on more than 300 climbing and high routes in the Cascades. This volume covers the middle of the Cascade Range, from the foothills east of Puget Sound to Lake Chelan. You'll find geographical, historical, and geological overviews of the majestic mid-Cascade region, plus important tips on safety and backcountry usage. Legendary author/climber Fred Beckey includes technical and grade information for each route to make clear exactly what type of climb you are embarking upon.
