reasons why the Bible should be believed about these matters.

Answers questions about creation that even adults struggle to answer. You meet skeptics every day. They ask questions like: Are your science teachers wrong? Is the Big Bang theory true? Did God create the universe? Here ' s a book written in kid-friendly language that gives you all the answers. Packed full of well-researched, reliable, and eye-opening investigations of some of the biggest questions, The Case for the Creator for Kids uses up-to-date scientific research to strengthen your faith in God ' s creation.

Answers difficult questions that youngsters might have about God, explores the life of Jesus, and explains what it means to be a Christian.

There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that - stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel - an award-winning legal journalist with a knack for asking tough questions - decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert

testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence - how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

Based on the eye-opening best-selling series, this 90-day devotional for kids ages 9-12 explores the life of Jesus and what it means to be a Christian, while also tackling tough questions kids ask about God. For kids who want to learn more about their faith so they can share with others, this devotional uses light-hearted prose, illustrations, historical facts, research and true stories to bring to life the miracles, ministry and way of life of Jesus.

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In Cold-Case Christianity for Kids, detective J. Warner Wallace draws readers into the thrill of high-stakes investigation by showing them how to think rather than telling them what to think. In this children's companion to the bestselling Cold-Case Christianity, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website ([coldcasechristianityforkids.com](http://coldcasechristianityforkids.com)) where kids can download activities, fill in case notes, and earn a certificate of merit.
