This anthology provides strategic management case studies relating to the Asia-Pacific region.

Transnational Management offers a uniquely global focus on strategic development, organizational capabilities and management challenges.

The book takes a more theoretical perspective than is normally seen in strategy texts and so suits undergraduate courses where students have limited practical experience and where conceptual principles are being developed.

challenges associated with developing strategies and managing the operations of companies whose activities stretch across national boundaries. The purpose of this book is to provide a conceptual framework of the interplay between the multinational corporation, the countries in which it does business, and the competitive environment in which it operates. Through text narrative, cases, and readings, the authors skillfully examine the development of strategy, organizational capabilities, and management challenges for operating in the global economy.

Examine strategic management with the market-leading book that sets the standard as today's most intellectually rich, practical analysis of strategic management. Written by prominent management scholars and award-winning instructors, Hitt/Ireland/Hoskisson's STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, 13E incorporates cutting-edge research and new examples from more than 600 companies to reveal how firms effectively use the strategic management process. This edition combines a classic industrial organization model with a resource-based view of the firm to demonstrate how businesses establish competitive advantages and create value for stakeholders in the global marketplace. You study how firms govern themselves, the value of strategic alliances to global companies and the value firms create by melding strategic management and entrepreneurial behaviors when competing. Also included at no additional charge are 20 leading business cases, carefully selected by the authors, which cover several US and international businesses across many industries. With STRATEGIC MANAGEMENT you gain the insights and understanding you need to outperform competitors and excel as a strategic leader. Important
