Name: _____ . Castles | Nonfiction Reading Test 3. Palaces are known for their beauty and splendor, but they offer little protection against attacks. It is easy to defend a fortress, but fortresses are not designed with the comfort of a king or queen in mind. When it comes to structures that are both majestic and well- fortified, the classic European castle is the pinnacle of design.

Provides students with skills needed to compare and contrast fiction and nonfiction passages. Provides practice in: reading comprehension; analyzing story elements; keeping sequence and details from two sources separate; multiple choice questions; written response questions on individual passage themes; and written response questions that utilize information from two contrasting passages. Includes standards & benchmarks and answer key.

'I'd always known that I was Brown. Black was different though; it came announced. Black came with expectations, of rhythm and other things that might trip me up.' Imani is a founding. Rescued as a baby and raised by nuns on a remote Northumbrian island, she grows up with an ever-increasing feeling of displacement. Full of questions, Imani turns to her shadow, Amarie, and her friend, Harold. When Harold can't find the answers, she puts it down to what the nuns call her 'greater purpose'. At nineteen, Imani answers a phone call that will change her life: she is being called to Accra after the sudden death of her biological mother. Past, present, faith and reality are spun together in this enthralling debut. Following her transition from innocence to understanding, Imani's experience illuminates the stories we all tell to make ourselves whole.

Series Name: Red Rhino Jake and Kyle have a few new friends to play Clan Castles with. Abby McQuade always has perfect timing. Game creator Erik van Syke is a good person to have on their side. Prince Robo and King Nojra don't stand a chance. But when Jake and Kyle get in a fight, a strange new update makes the game, and reality, spin out of control. Can Jake and Kyle save their friendship while also saving the world? Hi-Lo Chapter Books for Children. This series of short novels was designed to engage a broad spectrum of struggling readers. No longer will upper-elementary students have to read material junior to their maturity and interest. Characters are age appropriate and come from diverse cultures and backgrounds. Science fiction, sports, paranormal, realistic life, historical fiction, and fantasy are just a few of the many genres. Books are no higher than a 1.5 reading level, with illustrations on every spread that support visual literacy and draw kids into the text.

A gift of a toy castle, complete with silver knight, introduces William to an adventure involving magic and a personal quest.

A young girl learns she's half mermaid and plunges into a scheme to reunite with her father in this entrancing, satisfying tale that beckons readers far below the waves. For as long as she can remember, twelve-year-old Emily Windsnap has lived on a boat. And, oddly enough, for just as long, her mother has seemed anxious to keep Emily away from the water. But when Mom finally agrees to let her take swimming lessons, Emily makes a startling discovery - about her own identity, the mysterious father she's never met, and the thrilling possibilities and perils shimmering deep below the water's surface. With a sure sense of suspense and richly imaginative details, first-time author Liz Kessler lures us into a glorious undersea world where mermaids study shipwrecks at school and Neptune rules with an iron trident - an enchanting fantasy about family secrets, loyal friendship, and the convention-defying power of love.

When Emily provokes Neptune's wrath by finding a diamond ring buried under rocks in the ocean, he puts her under a curse that forces her to choose between being a mermaid or a human.

INSTANT NEW YORK TIMES BESTSELLER • FEATURING AN EXCLUSIVE NEW CHAPTER GoodReads Choice Awards Semifinalist "Moving . . . a plot that surprises and devastates."—New York Times Book Review "A masterful epic."—People magazine "Mesmerizing . . . The Women in the Castle stands tall among the literature that reveals new truths about one of history's most tragic eras."—USA Today Three women, haunted by the past and the secrets they hold Set at the end of World War II, in a crumbling Bavarian castle that once played host to all of German high society, a powerful and propulsive story of three widows whose lives and fates become intertwined—an affecting, shocking, and ultimately redemptive novel from the author of the New York Times Notable Book The Hazards of Good Breeding. Amid the ashes of Nazi Germany's defeat, Marianne von Lingenfels returns to the once-grand castle of her husband's ancestors, an imposing stone fortress now fallen into ruin following years of war. The widow of a resister murdered in the failed July 20, 1944, plot to assassinate Adolf Hitler, Marianne plans to uphold the promise she made to her husband's brave conspirators: to find and protect their wives, her fellow resistance widows. First Marianne rescues six-year-old Martin, the son of her dearest childhood friend, from a Nazi reeducation home. Together, they make their way across the smoldering wreckage of their homeland to Berlin, where Martin's mother, the beautiful and naive Benita, has fallen into the hands of occupying Red Army soldiers. Then she locates Ania, another resister's wife, and her two boys, now refugees languishing in one of the many camps that house the millions displaced by the war. As Marianne assembles this makeshift family from the ruins of her husband's resistance movement, she is certain their shared pain and circumstances will hold them together. But she quickly discovers that the black-and-white, highly principled world of her privileged past has become infinitely more complicated, filled with secrets and dark passions that threaten to tear them apart. Eventually, all three women must come to terms with the choices that have defined their lives before, during, and after the war—each with their own unique share of challenges. Written with the devastating emotional power of The Nightingale, Sarah's Key, and The Light Between Oceans, Jessica Shattuck's evocative and utterly enthralling novel offers a fresh perspective on one of the most tumultuous periods in history. Combining piercing social insight and vivid historical atmosphere, The Women in the Castle is a dramatic yet nuanced portrait of war and its repercussions that explores what it means to survive, love, and, ultimately, to forgive in the wake of unimaginable hardship.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

One of the 20th Century's most beloved novels is still winning hearts! I Capture the Castle tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle"-- and the heart of the reader-- in one of literature's most enchanting entertainments. "This book has one of the most charismatic narrators I've ever met." -- J.K. Rowling, author of the Harry Potter series
