In 1993, Sheila Rauch Kennedy received a letter from the Boston Catholic Archdiocese announcing that her former husband, Congressman Joseph Kennedy, was seeking an annulment of their marriage. If the Church granted the annulment, the marriage, which had lasted twelve years, would be rendered nonexistent -- not simply ended, as was stated in the divorce decree, but invalid from the start. And their two sons would be regarded as children of an unsanctified union. Joseph Kennedy needed the annulment to remarry within the Church, and he encouraged his ex-wife to ignore the details. Stunned by the hypocrisy of the process and the betrayal of trust it involved, Sheila Rauch Kennedy was determined to defend the legitimacy of her former marriage. *Shattered Faith* is the fascinating chronicle of that struggle, and of what Kennedy uncovered about the uses and frequency of annulments in the United States. Interweaving her own experiences with those of other women whose trust in the Church was shattered by annulment, she tells a story that will surprise, anger, and move readers of every faith.

Catholic Marriage: A Pastoral and Liturgical Commentary is a collection of essays by scholars and practitioners on the rites, spirituality, history, theology, and pastoral practice surrounding the Sacrament of Matrimony in the Roman Catholic Church. Those who minister to engaged couples and teach the sacrament will appreciate the accessible approach to the meaning of Christian marriage and how that is and has been expressed in the rites of the Church and cultural customs.

Since our first publication of *Thriving Marriages*, we have given seminars on its content to over 300,000 people across the United States. Two areas emerged that needed further clarification and elaboration: how to make conflict resolution more effective and how to communicate our needs more clearly. As a result, we have rewritten Chapter 10: *Solving Conflicts with Wisdom and Respect*. The new chapter

simplifies the conflict resolution process focusing on the role of Understanding, Validating and Acting, which we refer to as the UVA response. This type of emphatic response allows people to integrate their differences and transform the conflict into an opportunity to grow in their unity. The chapter also includes a new questionnaire which covers the skills required and can be used as a tool to engage in constructive dialogue. For those of you involved in Marriage and Family Life, Religious Education, and Adult Faith Formation ministries, we invite you to include this new edition of Thriving Marriages in your curriculum and ministries as well as our different audio formation materials that accompany it.

In the first book written specifically for the 11 million divorced Catholics in the United States, Lisa Duffy—CatholicMatch.com columnist and creator of the “Journey of Hope” divorce recovery program—combines personal experience, Church teaching, and more than twenty years of ministering to those wounded by divorce to offer a guide that shows how faith can be a catalyst for healthy dating and relationships. Encouraging yet forthright, *The Catholic Guide to Dating After Divorce* offers sound advice to anyone who has experienced the deflating effects of divorce, but is not ready to give up on love. Affirming the universal need for intimacy, Duffy—a relationship expert, CatholicMatch.com columnist, and creator of the “Journey of Hope” divorce recovery program—shows how faith can be a catalyst for healthy relationships, helping to identify and uproot emotionally harmful habits and boosting authenticity and confidence. Duffy identifies five essential characteristics of spiritually healthy people—being available, affectionate, communicative, faithful, and magnanimous—and shows how cultivating these qualities can bring out the best, most confident, and most attractive version of anyone. Quizzes, journaling questions, and action steps will help the reader grow in these areas. The book concludes with an appendix on resources for those who need help working through an annulment or who are in need of other post-divorce resources.

It is an open secret that marriage is in crisis in the United States and that the marriages of Catholics are not significantly different from other marriages. In *Marriage and the Catholic Church* Michael Lawler confronts the difficult questions in the Catholic theology of marriage. Lawler, among the leading Catholic voices on the theology of marriage, does not shy away from the difficult questions, but confronts them honestly, historically accurately, and pastorally. He highlights a Catholic approach to premarital relationships, to marriage, to divorce, and to remarriage. He examines the relationship of marriage and sacrament, faith and sacrament, friendship in marriage, divorce and remarriage,

cohabitation, family, interchurch marriages, and the changing models of marriage in the Catholic tradition. The whole offers a fresh look at the Catholic theology of marriage for a new millennium. Chapter 1 looks at marriage as a sacrament. Chapter 2 then asks what models of marriage function in the contemporary Catholic Church. Chapter 3 considers what it takes to transform the social reality of marriage into the Catholic sacrament and answers that it takes personal faith. Lawler looks into the bonds or relationships in marriage in Chapter 4. He offers an extended consideration of divorce and remarriage in the Catholic Church in Chapter 5. In Chapter 6 he offers theological and pastoral reflections on interchurch marriage. He analyzes the Christian reality and value of friendship and reflects on its contribution to the stability of marriage in Chapter 7. Lawler inquires, in Chapter 8, whether cohabitation could, again as in the past, be counted as a step in the process of becoming married in the Catholic tradition. Finally in Chapter 9 he seeks to construct a theology of Christian family and reflects on what that theology, and the families rooted in it, can contribute to American families in their present crisis. Chapters are Marriage and the Sacrament of Marriage, Catholic Models of Marriage, Faith and Sacrament in Christian Marriage, On the Bonds of Marriage, Divorce and Remarriage in the Catholic Church, Interchurch Marriages: Theological and Pastoral Reflections, Friendship and Marriage, Cohabitation and Marriage in the Catholic Church: A Proposal, and Toward a Theology of Christian Family. Michael G. Lawler, PhD, is the Amelia B. and Emil G. Graff Chair in Catholic Theological Studies and Dean Emeritus of the Graduate School at Creighton University in Omaha, Nebraska. He directs the Center for Marriage and Family, whose studies of marriage preparation, interchurch marriages, and the first five years of marriage have gained international acclaim.
