Generations

Generational conflict has attracted considerable attention in the media and within academic circles during the past decade. At the center of this collection of papers analyzing

Access Free

Changing

Contract Areas
Generations

various facets of that conflict lie complex issues of generational equity--issues that will remain important for the framing of public policy during the 1990s, What do the young and the middle-aged owe the elderly? In discharging that debt, to what extent are they able to provide for their own

Access Free

Changing

Old age in a climate of
changing notions of
welfare? What light do
the longer
perspectives of
history shed on these
issues? What role do
kinship, gender, and
economic status play?

The papers
commissioned by
Bengtson and
Achenbaum are
intended to give

Access Free

Changing

greater analytic rigor
to current debates.

The volume is
interdisciplinary not
only by theoretical
intent but by the
practical imperatives
of gerontology. More
than a dozen
sociologists,
economists,
historians,
demographers, and
policy analysts

Access Free

Changing

Contract Across
Generations

discuss the meanings and ambiguities that are inherent in terms such as "generation," "equity," "compact," "contract," and "conflict," in order to assess how relations between the age groups seem to vary from one sociohistorical context to the next. This distinguished group of

Access Free

Changing

Contributors raises

comparative issues

throughout, assessing

variations in

generational ties by

gender, race, class,

and geographic

location. Several

project the extent to

which recent changes

in the political

economy, public

philosophy, and

demographic

Access Free
Changing
Structure of Most
"modern" societies
presage greater
conflicts, or greater
consensus, in family
members'
relationships and
social ties.

In this important and
timely book,
researchers from

Access Free

Changing

Contract Across

different countries
compare their
experiences and offer

contrasting views on
the future of social

protection. They
consider the

theoretical aspects of
the intergenerational

debate, relations

between generations

within the family, the

living standards of

elderly people, and

Access Free

Changing

the question of social

time. For the first time

in history, three and

sometimes four

generations are living

at the same time; this

book examines the

new interactions

between family

change, labour force

participation and

population ageing.

"The Gerontological

Page 44/63

Access Free

Changing

Prism" promotes

disciplinary
cooperation in aging
research and practice.

To some extent, each
chapter explores a
unified objective, that
of generating a
disciplinary-blind
gerontology. The
fundamental
assumption
throughout this book
is that the aging

Access Free

Changing

Individual and Society

can be enhanced by an understanding of the correlates of basic social, behavioral, demographic, economic, political, ethical, and biomedical processes involving aging. Each author touches on issues that have both social psychological, and practical policy

Access Free

Changing

significance. They aim toward sensitizing the reader to the possibilities of a properly informed interdisciplinary approach to gerontology.

Justice between generations is still not as prominent on any agenda as justice between rich and poor

Access Free

Changing

Contract Across

Generations
For the first time, this
three-part book

explores the situation
of young people of
today in comparison
to their direct

predecessors. The
first part, The

Financial Situation of
the Young Generation
in a Generational
Comparison, deals
with this generation's

Access Free

Changing

financial standing; the second part, The Rush Hour of Life, examines their time restrictions. Both are considered from a life-course perspective. The third part, On the Path to Gerontocracy?, addresses the demographic shift in favor of the elderly in aging Western

Access Free Changing democracies. Generations

Examining the changes in society in the United States, Beth Rubin explains how the current era differs fundamentally from the post-World War Two period; how and why that change has occurred; and what its meaning is to everyday life. She

Access Free

Changing

Contract Across

Generations
traces the changes
from a domestic to a
global economy, the

transformation of the
workplace, and the

impact that these

changes have had on

how other people are

experiencing social

aspects of their lives:

their families and

interpersonal

relations, their

communities and their

Access Free Changing experience of the culture of mass Generations society.

Fred C. Pampel describes how age combines with other components of inequality by comparing the influence of group membership on social inequality before and after the life course

Access Free

Changing

transition to old age.

He looks at the differences in public policy and how age inequality -- more than the other sources of inequality -- relates closely to government policies and studies other societies in which both age group differences and overall inequality

Access Free

Changing

differ from those in
the United States.

Pampel makes a
comparison of the
United States with
other nations a central
component of the
book, providing
greater understanding
of the larger forces
that shape old age.

An examination of
how religious identity

Access Free

Changing

Contract Areas
Generations

changed in twentieth-century England, using Birmingham as a case-study to illuminate wider trends.

In this important and timely book, researchers from different countries compare their experiences and offer contrasting views on

Access Free

Changing

the future of social

protection. They
consider the

theoretical aspects of
the intergenerational
debate, relations
between generations
within the family, the
living standards of
elderly people, and
the question of social
time. For the first time
in history, three and
sometimes four

Access Free

Changing

generations are living at the same time; this book examines the new interactions between family change, labour force participation and population ageing.

Kinship and Cohort in an Aging Society brings together scholars whose common link is their

Access Free

Changing

Intellectual Across

Generations
intersection with the
work of Vern

Bengtson, an
esteemed family
sociologist whose
accomplishments
include foundational
theoretical
contributions to the
study of families and
intergenerational
relations as well as
the development of

Access Free

Changing

the widely used

Longitudinal Study of
Generations data set.

The study began in
1971 and is the basis
for Bengtson's highly
influential concept
and measurement
model, the
intergenerational
solidarity-conflict
paradigm. This book
serves as an excellent
compendium of

Access Free

Changing

Original research that

examines how

Bengtson's solidarity

model, a theory that

informs nearly all

intergenerational and

gerontology sociology

work performed

today, continues to be

relevant to scholars

and practitioners.

Written by

internationally

recognized scholars,

Access Free

Changing

the book's fifteen

chapters are mapped
to five major thematic

areas to which

Bengtson's research

contributed: family

connections;

grandparents in a

changing

demographic

landscape;

generations and

cohorts (micro-macro

dialectics); religion

Access Free

Changing

and families in the

context of continuity,
change, and conflict;

and global cross-

national and cross-

ethnic concerns. Key

strengths of the book

include the diversity of

foci and data sources

and the strong

attention given to

global and

international issues.

Kinship and Cohort in

Access Free

Changing

an Aging Society will
appeal to scholars
working in sociology,
psychology,
gerontology, family
studies, and social
work.
