My father's family name being Pirrip, and my Christian name Philip, my infant tongue could make of both names nothing longer or more explicit than Pip. So, I called myself Pip, and came to be called Pip. I give Pirrip as my father's family name, on the authority of his tombstone and my sister,--Mrs. Joe Gargery, who married the blacksmith. As I never saw my father or my mother, and never saw any likeness of either of them (for their days were long before the days of photographs), my first fancies regarding what they were like were unreasonably derived from their tombstones. The shape of the letters on my father's, gave me an odd idea that he was a square, stout, dark man, with curly black hair. From the character and turn

of the inscription, "Also Georgiana Wife of the Above," I drew a childish conclusion that my mother was freckled and sickly. To five little stone lozenges, each about a foot and a half long, which were arranged in a neat row beside their grave, and were sacred to the memory of five little brothers of mine,--who gave up trying to get a living, exceedingly early in that universal struggle,--I am indebted for a belief I religiously entertained that they had all been born on their backs with their hands in their trousers-pockets, and had never taken them out in this state of existence.

Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle.

She is the teller of her brother's secrets, letting readers look in on the changing morality and maturation of a young person growing up in a southern town in 1935, giving an insight into what the adults of Maycomb will look like fifteen years later. With her childlike spite and surprising wit, we can trust Scout Finch to tell the whole truth and nothing but. The lessons of *To Kill a Mockingbird* are for Atticus Finch to teach and for us, through his littlest daughter's eyes, to learn. Available on PC, Mac, smart phone, tablet or Kindle device. indispensable reading for those who would like to carry out action research on their own practice. Lin S Norton's concept of 'pedagogical action research' has come from over twenty years' experience of carrying out such research, and more than six years of encouraging colleagues to carry out small scale studies at an institutional, national and international level. This accessible text illustrates what might be done to improve teaching/supporting learning by carrying out action research to address such questions such as: What can I do to enthuse my students? What can I do to help students become more analytical? How can I help students to link theory with their practice? What can I do to make my lecturing style more accessible? What is

going wrong in my seminars when my students don't speak? Action Research for Teaching and Learning offers readers practical advice on how to research their own practice in a higher education context. It has been written specifically to take the reader through each stage of the action research process with the ultimate goal of producing a research study which is publishable. Cognisant of the sector 's view on what is perceived to be ' mainstream research ' , the author has also written a substantial theoretical section which justifies the place of pedagogical action research in relation to reflective practice and the scholarship of teaching and learning.
