Charlie D was a world-class philanthropist. From cab drivers to valet attendants, from washed-out traders to close friends and family, from former high school football coaches to leading medical researchers, he gave and gave and gave. Perhaps the ultimate legacy of Charlie D will be his ferocious tenacity in the face of personal tragedy.

In praise of Charlie D. "Falloon's eloquent explication of the life of the legendary Charlie D delivers a good read while exposing that most under-publicized commodity of them all-a mega-trader with a low public profile whose superhuman trading abilities were exceeded by only one thing-the extended reach of his heart and soul." -Patrick H. Arbor Chairman, Chicago Board of Trade "Charlie D. is a tribute to the entrepreneurial spirit of Charlie D, whose legend still lives today on our trading floors. It also captures the essence of the men and women of Chicago who, working in a unique environment, through their trading provide economic benefits around the world." -Thomas R. Donovan President and Chief Executive Officer Chicago Board of Trade "Charlie D was unique-a poker-faced, unemotional, swashbuckling trader every other trader seeks to emulate. At the same time, he was also a model of trading integrity and one of the most generous people I have ever known. Whether trading or gambling, vacationing with family or go lfing with superstars, he did everything with a special flair and spirit. Charlie was truly larger than life." -Thomas DeMark Author of The New Science of Technical Analysis and New Market Timing Techniques "Falloon captures the essence of the Charlie D I knew and rekindles my memories of a larger-than-life individual-how he laughed in the face of cancer, his generosity, and his sense of humor." -Mike Manning Rand Financial Services, Inc. "Charlie D was the most dynamic trader I've ever seen in my nineteen years in this business, and, beyond that, the best human being I've known." -Tom Fitzgerald TPF Trading

Charlie D is back doing his late-night radio call-in show. It's Halloween—The Day of the Dead. Not a day filled with good memories for Charlie, but the show must go on. His studio guest this evening is Dr. Robin Harris, an arrogant and ambitious "expert in the arts of dying and grieving," who also seems to be auditioning for her own radio talk show. Charlie and Dr. Harris do not hit it off. Things go from bad to worse when the doctor's ex-lover, Gabe, goes on air to announce that he's about to end his life. Dr. Harris is entirely unsympathetic until she learns that Gabe also has her daughter Kali and plans to poison her too. It will take all of Charlie D's on-air skills to save both Gabe and Kali.

Before the "Bronx Zoo" of George Steinbrenner and Billy Martin, there were the Oakland Athletics of the early 1970s, one of the most successful, most colorful-and most chaotic-baseball teams of all time. They were all of those things because of Charlie Finley. Not only the A's owner, he was also the general manager, personally assembling his team, deciding his players' salaries, and making player moves during the season-a level of involvement no other owner, not even Steinbrenner, engaged in. Drawing on interviews with dozens of Finley's players, family members, and colleagues, G. Michael Green and Roger D. Launius present "Baseball's Super Showman" (Time magazine's description of Finley on the cover of an August 1975 issue) in all his contradictions: generous yet vengeful, inventive yet destructive. The stories surrounding him are as colorful as the life he led, the chronicle of which fills an important gap in baseball's literature.

"Charlie has autism. His brain works in a special way. It's harder for him to make friends. Or show his true feelings. Or stay safe." But as his big sister tells us, for everything that Charlie can't do well, there are plenty more things that he's good at. He knows the names of all the American presidents. He knows stuff about airplanes. And he can even play the piano better than anyone he knows.Actress and national autism spokesperson Holly Robinson Peete collaborates with her daughter on this book based on Holly's 10-year-old son, who has autism.

The Official Guide from TikTok Superstar Charli D'Amelio Everyone knows Charli D'Amelio as the only TikTok personality to have—at age 16—surpassed 100 million followers. But who's the girl behind the posts? For the first time ever, Charli is ready to share the intimate details of her life: how she navigated challenges and stayed positive in the face of cyberbullying, who she was as a little girl, what family means to her, and how you too can navigate your social media presence and IRL friendships in order to develop a strong and confident identity. Packed with Charli trivia, exclusive photos, real talk from Charli, and writing prompts, this book is your new go-to resource and is the only official book by your favorite teen role model and icon: Charli D'Amelio.

Meet Charlie - a collie like no other. Rescued from the loneliness of a kennel by young Marna Witherspoon, Charlie is full of questions about life and looking for answers. In Charlie's Very Own Story, author Elizabeth Vaughan invites readers to join him in his search. Along the way, you'll find high adventure, extraordinary insights, and so much more. In a novel reminiscent of Richard Adam's Watership Down, Ms. Vaughan offers us a remarkable story sure to charm and delight readers of all ages.

Newbery Medalist Christopher Paul Curtis brings his trademark humor and heart to the story of a boy struggling to do right in the face of history's cruelest evils.

Roald Dahl's Charlie and the Chocolate Factory in glorious full colour. Mr Willy Wonka is the most extraordinary chocolate maker in the world. And do you know who Charlie is? Charlie Bucket is the hero. The other children in this book are nasty little beasts, called: Augustus Gloop - a great big greedy nincompoop; Veruca Salt - a spoiled brat; Violet Beauregarde - a repulsive little gum-chewer; Mike Teavee - a boy who only watches television. Clutching their Golden Tickets, they arrive at Wonka's chocolate factory. But what mysterious secrets will they discover? Our tour is about to begin. Please don't wander off. Mr Wonka wouldn't like to lose any of you at this stage of the proceedings. . . . Look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! inspired by the revolting Twits.

All Charlie Tickler wants is for his parents to listen. Charlie's parents have left him (again). This time they are off to South Africa to help giant golden moles. And Charlie? He's been dumped with his TV-obsessed grandparents. Lonely and curious, Charlie heads into the village of Castle-on-the-Hudson, where a frightened old woman gives him a desperate message-in sign language. When she suddenly disappears, Charlie is determined to find answers. All Francine (aka Frog) Castle wants is to be the world's greatest detective. Frog, who is Deaf, would rather be solving crimes than working at the Flying Hands Café. When Charlie Tickler walks into the café looking for help, Frog jumps at the chance to tackle a real-life case. Together, Charlie and Frog set out to decipher a series of clues and uncover the truth behind the missing woman's mysterious message. Charlie needs to learn American Sign Language (fast) to keep up with quick-witted Frog. And Frog needs to gather her detective know-how (now) to break the case before it's too late. Discover the surprising ways people listen in debut author Karen Kane's page-turning mystery filled with humor, intrigue, and heartwarming friendships. Edgar Award Finalist for Best Middle Grade Mystery

Charlie's home town is not much to look at these days. Like countless Australian townships, it exists more vividly in the memories of long-time residents than between the fading road signs that mark its boundaries. For over a century, generations of Millers ran the Lyonville General Store. Sawmilling towns like Lyonville mushroomed when the Ballarat and Bendigo goldfields urgently needed timber supplies. After the boom, the stoic settler families struggled with almost unendurable hardship and isolation. Charlie's Book is a small miracle. The storyteller's voice - Charlie's turn of phrase, his amazing memory, his humour and astute good sense - will delight the reader. But the fine oral history and writing abilities of the listener, Lynn Sunderland, carry the reader well beyond the nostalgic reminiscences of one old-timer. In chronicling the life and times of Lyonville, she has distilled the essence of small-town life in rural Australia.
