### Christ- Centered Preaching - Westminster Bookstore

"Christ-Centered Preaching was a pathbreaking book in 1994. While some writers had been urging preachers to treat every text within the redemptive flow of biblical history--always culminating in Jesus Christ--this book was the first one to tell us how to do it. Though one of many classic manuals on expository preaching, it has always been the ...

Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling Christ-Centered Preaching. This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in various types of sermons and various genres of the Bible. The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes, helping readers move from theory to practice. In essence, the book allows students and preachers to look over Chapell's shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments.

The bestselling author of Christ-Centered Preaching provides a useful and accessible resource that traces the history of Christian worship and calls contemporary congregations to gospel faithfulness.

Cancer. Suicide. The death of a child. As much as we wish we could avoid tragedies like these, eventually they will strike your church community. When they do, pastors must be ready to offer help by communicating the life-changing message of the gospel in a way that offers hope, truth, and encouragement during these difficult circumstances. Those asked to preach in the midst of tragedy know the anxiety of trying to say appropriate things from God ' s Word that will comfort and strengthen God ' s people when emotions and faith are stretched thin. This indispensable resource helps pastors prepare sermons in the face of tragedies by providing suggestions for how to approach different kinds of tragedy, as well as insight into how to handle the theological challenges of human suffering. Each topic provides a specific description of the context of the tragedy, the key concerns that need to be addressed in the message, and an outline of the approach taken in the sample sermon that follows. Topics addressed include: abortion; abuse; responding to national and community tragedies; the death of a child; death due to cancer and prolonged sickness; death due to drunk driving; drug abuse; and suicide. Bryan Chapell, author of Christ-Centered Preaching, has gathered together messages from some of today ' s most trusted Christian leaders including: John Piper, Tim Keller, Michael Horton, Jack Collins, Dan Doriani, Jerram Barrs, Mike Khandjian, Robert Rayburn, Wilson Benton, Bob Flayhart, and George Robertson. Each chapter provides you with the resources you need to communicate the life-giving hope of the gospel in the midst of tragedy. In addition, the appendices provide further suggestions of biblical texts for addressing various subjects as

well as guidance for conducting funerals.

How God's Unlimited Grace Leads Us to Heartfelt Obedience What if obeying God is not just dreary duty—going through the motions to avoid God's wrath or earn his favor? What if following Christ is pure joy—living in loving response to a grace so profound that it changes all our motivations and affections? Far from encouraging sin, this biblical understanding of grace fuels and empowers the obedience that God commands. Explaining why grace is important and giving us tools to discover it in all of Scripture, *Unlimited Grace* helps us to see how gospel joy transforms our hearts and makes us passionate for Christ's purposes. Experienced pastor and author Bryan Chapell takes insights from a lifetime of relishing God's grace and pours them into this highly accessible and engaging book, helping readers see how God's grace shines through all of Scripture, for all of life.

Voicing one theme for the entire Bible and structuring all sermons around that idea may seem to be an impossible challenge. For veteran pastor and preaching professor Edmund Clowney it will not do to preach a text from either the Old or New Testaments without fully preaching its ultimate and primary focus—the person and work of Jesus Christ. He writes, "To see the text in relation to Christ is to see it in its larger context, the context of God's purpose in revelation." Clowney's rationale for emphasizing Christ's presence in the Old Testament rests on the purpose of the Hebrew Scripture. The Old Testament follows God's one great plan for human history and redemption, and the plan is not only from him but centers on him: his presence in his incarnate Son. The witness of the Scriptures to Christ is the reason they were written, so it is appropriate to emphasize this element in the Old Testament as well as in the New Testament. By offering numerous full-length examples of his own sermons that emphasize Christ as the principle theme of Scripture, Clowney illustrates for those who will never have the privilege of being his students how they can craft sermons which present Christ as the primary consideration of the text. He also offers specific instructions on preparing such a sermon. He discusses the personal habits of prayer and Bible study that prepare pastors to seek out Christ's presence. Clowney emphasizes the importance of including a specific application in every sermon so that Christ is presented both in what he says and does to reveal himself in the biblical text and in what he says and does to direct Christians' lives today. Students preparing for the pastorate, pastors desiring to increase their emphasis on Christ in their sermons, and those seeking Christ's presence in all of Scripture will find a help in Clowney's writings.

Often we read the book of Daniel in one of two ways—either as a book about a heroic man whose righteousness should inspire us to keep the faith no matter what our circumstances, or as a roadmap to the end times that can, through careful study, perhaps tell us the day and hour (or nearly so) of Christ's return. Both, says Bryan Chapell, are sadly missing the bigger picture, that God is the hero of this story and he is in the midst of his unrelenting plan to rescue his people from their sin and its consequences. We mustn't simply make the man Daniel the object of our worship nor the subject of our debates. We may differ about prophetic details, Chapell says, but we should never miss the point that the book of Daniel is, like all of Old Testament Scripture, pointing us toward the grace of God, ultimately revealed in Christ. Pastors, teachers, and individual Christians studying the book of Daniel will find this volume a welcome addition to their library.

While strong, gospel-centered preaching abounds, many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament. This practical handbook offers help. Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ-centered way. Goldsworthy first examines the Bible, biblical theology, and preaching and shows how they relate in the preparation of Christ-centered sermons. He then applies the biblical-theological method to the various types of literature found in the Bible, drawing out their contributions to expository preaching focused on the person and work of Christ. Clear, complete, and immediately applicable, this volume will become a fundamental text for teachers, pastors, and students preparing for ministry.
